Truth Is You Re Still Dreaming:

Truth Is, You're Still Dreaming Matthew L. Williams, 2014-11-10 Let's face it being a teenager is hard High school is depressing your mother's overbearing the only friend you have in your new school doesn't have any time for you and your therapist won't get off your back Oh and yeah you might have narcolepsy Great start to your sophomore year right Fifteen year old Daniel wants to leave the past alone but his inner demons keep him up at night When they're not keeping him up though he is dead asleep in all his classes and dreaming Wild dreams Fantastic even Are they nonsense Are they memories He'll have to stop running from them to find out Truth Is You're Still Dreaming is a novel for young adults about that time in one's life where being a grown up seems both imminent and a lifetime away

The False Awakeners: Illusory Enlightenment Mark Romel, 2018-04-10 False Awakening A convincing dream about awakening from sleep when in reality you are still asleep Wake up What is the most sinister world you can imagine the worst of all possible worlds It's the one where all of the people are endarkened but believe themselves enlightened None of them wants to change because they think they are perfect They exist forever in this benighted condition doing nothing to discover the Truth of reality to find the answers to existence to see the real light rather than the fake light Our world is full of the fake enlightened the phony awakened the fraudulent lightworkers The so called light they perceive is darkness visible i.e. Satanic light the light of hell Nothing is more dangerous than a false awakening The world is full of legions of the falsely awakened of endarkened zombies They are still asleep still inside the cave and merely dreaming that they have seen the light Wake up

But the Greatest of These Is Love Edward M. Vigeant, 2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know God's Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are approximately 4 200 religions in the world today I say But the Greatest of These is Love
