spiritual hell Lacey Hart spends her impoverished childhood lost in the strange shadow world between heaven and the demonic underworld in her senses She uses religion to mold herself into The Perfect Daughter so that she might evade her disturbed mother s malevolence Lacey is a demure child whose primrose sweetness and white laced stoicism hearken back to the puritanical era times when bewitchment infiltrated even the purest breath of beauty In school she is an idiot savant and she believes herself to be haunted by the devil But outside the physical emotional and sexual torture chamber of her home Lacey rarely ruffles feathers Then she turns eighteen Her sexuality which she has always felt had its roots in evil blooms like an overripe fruit from the center of her soul Around the same time Lacey and her best friend Sabrina uncover the gift that has both defined and isolated them all their lives intuition Emerging from the cocoon of their silence into awareness the two friends find themselves also immersed in the dark side of magic It is on this spiritual cusp between heaven and hell that they experience the heights of ecstasy but drift inevitably toward the dredges of humanity on the outskirts of life Like twinned flames Lacey and Sabrina embark upon the bohemian magical mystery tour of their twenties with the quixotic candor and unexpected bravery of the truly eccentric Then grave illness strikes unplanned pregnancy arises and they learn the power of true love to bloom one s spirit into the oneness with all things that is true freedom The story of two women who dare to submerge themselves completely into any given moment Lily Whites of Steel is a fearless exploration of the thin line between freedom and destruction dogma and authentic mysticism and perhaps most hauntingly of all truth and madness **A**
