Trusting God Jerry Bridges, 2017-01-10 Why is it easier to obey God than to trust

Him Because obeying God makes sense to us In most cases His laws appear reasonable and wise and even when we don't want to obey them we usually concede that they are good for us But the circumstances we find ourselves in often defy explanation Before long we begin to doubt God's concern for us or His control over our lives We ask Why is God allowing this or What have I done wrong During such a time of adversity Jerry Bridges began a thorough Bible study on the topic of God's sovereignty What he learned changed his life and in *Trusting God* he shares the fruit of that study As you explore the scope of God's power over nations nature and even the details of your life you'll find yourself trusting Him more completely even when life hurts This new edition replaces both *Trusting God* paperback ISBN 9781600063053 and the study guide paperback ISBN 9781600063060 by combining both resources into one volume **A Dream Believer** Stephen Kellison Jr., 2012-11-21

In today's society with all of its wide array of allurements that bid for the eye pampers the soul and consumes the thoughts and conversations the Christian and non-Christian have done one thing and that is throw God in the backseat of the heart and mind Societal wants have compromised biblical truths but God is looking for believers through whom he could work just as he had in the early church era so that He would be what consumes the thoughts and conversations of those who profess to be believers This book has biblical qualities that God is calling for His believers to have which will leave the majority of you in awe of God as you will find in one powerful testimony in this book *The Sure Cure for Worry* Kent Crockett, 2013-08-15

Trust God Even in the Fiery Furnace Rondie Ervin Harris,2013-11-01 So many people are defeated by lifes trials and tribulations because they put their trust in man and not in God Trials will always occur in some form or fashion in our lives We are either entering a trial in the midst of a trial or getting over a trial When we go through trials we all react differently especially when we face fiery trials and tribulations Your fiery trial may be different than mine Fiery trials may involve your health finances family problems addictions legal problems homelessness and poverty Some people react to trials through worldly solutions such as alcohol drugs and searching for answers in all the wrong places from all the wrong people Some people check out completely by committing suicide because they feel that there is no other way out of their circumstances Some people go to God for answers and they find peace because they trust God to solve their problems This book teaches us to trust God in all circumstances no matter what our fiery trials may be Proverbs 3 5 and 6 says Trust in the Lord with all your heart and lean not on your own understanding In all your ways acknowledge him and he shall direct your paths We should trust God even in the fiery furnace just like Shadrach Meshach and Abednego did when they had their fiery furnace trial This book reveals how you can have hope in hopeless situations comfort and joy in the midst of suffering and peace in the midst of chaos when you trust God even in the fiery furnace
