

TRX® RIP TRAINER™ WORKOUT

This workout takes approximately 30 minutes to complete and should be performed two to three times per week for best results. It challenges balance, core strength, explosive power and general movement patterns seen in many sports. Perform each exercise for 30 seconds per side for the number of rounds given for each fitness level; rest for 60 seconds between sets.

Beginners: 1 round

Intermediate: 2 rounds

Advanced: 3 rounds

RIP PADDLE BOARD ROW

Grip the Rip Trainer with the left hand, palm up, and with the right hand, palm down. Stand facing the anchor, with the resistance cord on the right side. Place feet in a symmetrical stance with the Rip Trainer pointed at the anchor. Squat down and bring the bar past the right leg in a paddling motion. Repeat for 30 seconds, then switch sides and repeat.

RIP SQUAT OVERHEAD PRESS

Grip the Rip Trainer with both hands, palms down, with the resistance cord on the right side. Stand with your back to the anchor. Place feet in a symmetrical stance with arms extended overhead. Squat down and bring the bar to the chest; stand up and press the bar overhead. Repeat for 30 seconds; switch sides and repeat.

RIP WINDMILL

Grip the Rip Trainer with the left hand, palm down, and with the right hand, palm up. Stand facing sideways, with right side to the anchor, and the resistance cord on the right side. Place feet in a symmetrical stance and position the bar perpendicular to the torso. Squat up and down while arcing out a circle with the end of the bar. Repeat for 30 seconds; switch hand positions and repeat for another 30 seconds.

The Titanic Effect Todd Saxton, M. Kim Saxton, Michael Cloran, 2019-03-05 I have read dozens of books on starting companies but this is the first that accurately captures why startups fail and provides a tool for entrepreneurs and investors to measure and manage these sources of failure Michael Hatfield Co Founder Cerent Calix Cienna and Carium What makes a startup successful This book from award winning business school professors and a tech serial entrepreneur tells what makes startups successful Instead of telling startups what to do like most startup books they share what startups should avoid Along the way they share small business startup success stories gleaned from the How Built This Podcast and their firsthand experiences These stories of startup success are contrasted with stories of startup failure from startup graveyards and most notably the Titanic Like many of today s startups the Titanic hoped to disrupt the transportation industry of its time It fell short to a disastrous outcome from the same sources that prevent startup success today Get a startup game plan This startup book uses the Titanic and a sailing metaphor to provide a startup roadmap template It shows what makes startups successfully navigate through challenges in startup investing founding and hiring with a game plan to get through the Human Ocean It offers a startup guide to customer success in working through the Marketing Ocean It even highlights what startups need to invest in to get through the Technical and Strategy Oceans Its Iceberg Index gives entrepreneurs startups and small businesses a way to track their progress on the startup roadmap template It also helps investors assess what startups to invest in Many entrepreneurs assume that the Titanic was sunk by a single iceberg The Titanic Effect shows that like many startups it s not a single misstep but a series of mistakes that keep a startup from being successful This combination of missteps is called the Titanic Effect

Who can benefit from this startup roadmap Entrepreneurs in the early stages of building a startup They will learn what makes a startup successful They will develop a to do list of decisions to make and actions to take Small business owners will also identify key next steps to building their startup game plan Investors can identify what to avoid in startup investments and what startups to invest in Students will learn how to evaluate the success potential of a startup and will read small business and startup success stories These three co authors have witnessed firsthand what leads to startup success They have made it their mission to help entrepreneurs startup founders and startup investors succeed Drs Todd and M Kim Saxton bring more than two decades of academic and professional experience in business strategy entrepreneurship marketing and angel investing Serial tech entrepreneur Michael Cloran adds his two decades of experiences in launching his own startups as well as building software products for other startups In addition the co authors serve on various boards of entrepreneurial ventures and startup advisory associations They have shared their expertise from the stage to dozens of audiences including students entrepreneurship and professional development associations academic societies and global companies like Roche Diagnostics and Pfizer Pharmaceuticals [Complete Guide to TRX Suspension Training](#) Jay Dawes,2017-05-02 For strength stability core power flexibility and balance Suspension Training delivers results Used by the best of the best from professional trainers to the elite athletes they work with Suspension Training is a respected and essential component of conditioning programs worldwide Now the ultimate Suspension Training expert shares the ultimate in Suspension Training exercises and programs Complete Guide to TRX Suspension Training from renowned strength and conditioning expert Dr Jay Dawes is the authoritative guide to Suspension Training This resource is so thorough that it has earned the endorsement of TRX Look inside at the instruction advice and insights and you ll see why This is a one of a kind resource designed to take workouts to unprecedented levels Complete Guide to TRX Suspension Training includes instructions for more than 115 exercises Complete with photo sequences variations and safety recommendations you ll learn how to develop and integrate strength power core stability flexibility and balance with the use of a Suspension Trainer In the gym at home or on the road this guide is the ultimate training companion With over thirty ready to use programs you have options for any situation and every desire It s all here If you want the best in exercise training and workouts then look no further than Complete Guide to TRX Suspension Training Discover why millions of athletes make Suspension Training the core of their program
