

Kensington Valley Hockey Association
Pee Wee AA Hockey Club

THANK YOU for trying out for the Kensington Valley Pee Wee AA 2007-2008 Fall Travel Hockey Team!

Unfortunately, we are faced with the tough decision of picking only a handful of players. The coaching staff has made every effort to make the tryouts a fair and enjoyable experience for every child and parent. We understand that not making a team is a disappointing time in our lives. It is also a time to hold your head high and to be proud of your accomplishments. Every child worked very hard and displayed great admiration for this outstanding sport!

Though you have not been selected for this Fall team, we encourage you to try again in the Spring. We want to remain friends and would like to see how your upcoming season progresses. If you see one of the coaches, other players or parents, let them know how you are doing. We honestly do care for all of these fine kids!

Please continue to practice and play to the best of your abilities. Work on the things that will make you a better hockey player. The coaches had some difficult decisions this tryout and it is your job to put them to the test in the Spring!

We appreciate all of the parents who have helped us out and have become our friends, thank you very much!

Best of Luck,

Tom Miller

Tryout Rejection Letter Basketball:

The Complete Guide to Coaching Girls' Basketball Sylvia Hatchell, Jeff Thomas, 2006-07-13 Coach Hatchell's book is a must read for every girls basketball coach. She is fantastic in every phase of the game and I love watching her teams play. Roy Williams head men's basketball coach University of North Carolina and Associated Press Coach of the Year 2006. What does it take to turn a good coach into a great one? You need to be a teacher, a motivator, a guru of X's and O's. Coach Sylvia Hatchell shows you how she manages all these roles and gives you her winning advice to creating a team of champions. Head coach of the University of North Carolina's women's team. Coach Hatchell combines the Tar Heels' longstanding tradition of basketball greatness with her personal dedication to guiding young women as she teaches you how to communicate effectively to get peak performances from 11 to 18 year old girls. Undaunted Student Edition Christine Caine, 2013-09-22 In *Undaunted Student Edition* Christine Caine uses her dramatic life story to show teens how God rescued her from a life where she was unnamed, unwanted, and unqualified. She tells how she overcame abuse, abandonment, fears, and other challenges to go on a mission of adventure fueled by faith and filled with love and courage. Her personal stories inspire teens to hear their name called just as Christine heard her own: "You are beloved. You are the hope. You are chosen to go into a dark and troubled world knowing each of us possess all it takes to bring hope, create change, and live completely for Christ." Part inspirational tale, part manifesto to stir readers to lives of adventure. *Undaunted Student Edition* shows the way with spiritual wisdom and insight.

Get in the Game Kevin Atlas, 2020-02-25 Be inspired by the story of Kevin Atlas, formerly Laue, whose faith and perseverance helped him become an NCAA Division I basketball player despite being born with only one arm. Even before entering the world, Kevin Atlas was a fighter. He should have died in childbirth as the umbilical cord was wrapped around his neck twice, but he survived because his left arm was in the middle of it, allowing blood to flow to his brain. But since circulation was cut off in that arm, he was born with his left arm ending just below his elbow. *GET IN THE GAME* is Kevin's story of transformation. Moving from anger to joy, from embarrassment to confidence, from the sidelines and wishing his life was different to getting in the game and showing who he is. Kevin's arduous journey to earning a scholarship to Manhattan College in New York City and becoming the first NCAA Division I basketball player missing a limb has given him keen insights to help anyone who feels trapped and defeated by less than perfect circumstances, whether physical, mental, or environmental. Kevin doesn't encourage readers to simply accept and live with their challenges, hurts, and losses. He spurs them on to believe any weakness can in reality become the one thing that propels them to achieve their greatest potential. As Kevin has learned throughout his life, you can't win if you don't get in the game.
