[Accessing Post-School Studies](#) Venicia McGhie & Madge du Preez, 2017-12-01 Accessing Post School Studies A student s GPS to successful learning makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and S lj The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment Prof Victor N Teise Sol Plaatje University Kimberley South Africa **Nuts & Bolts** McLean Sibanda, 2021-01-04 The future of Africa is bright Innovation and not aid is the answer McLean Sibanda believes that Africa must be deliberate about its economic development and that change requires champions and importantly fertile enabling environments In Nuts Bolts you will gain unique perspectives on challenges faced by leaders overseeing a turnaround in any organisation and the thought processes behind innovation initiatives that yielded value McLean provides practical insights on innovation and entrepreneurship for Africa s development through a narrative of his seven years of repositioning Sub Saharan Africa s first internationally recognised Science and Technology Park The Innovation Hub Included too are reflections from entrepreneurs who have all gone on to build successful businesses which will be useful for

anyone working on a start up or innovation particularly institutions set up to create new products or services The musings of various successful entrepreneurs and ecosystem builders provide relevant context inspiration and examples as to how best make use of support programmes provided by incubators and organisations similar to The Innovation Hub Nuts Bolts is a book about hope it is full of stories about real people and companies who are making a difference with testimonies of entrepreneurs experienced ecosystem builders and innovators It captures deep insights from the considerable time McLean has spent with entrepreneurs and innovators on the importance of inclusive innovation and entrepreneurship and provides a mix of global experiences and entrepreneurship narratives that eloquently sketch out the nuts and bolts for entrepreneurship and innovation I hope this book will be of value to those wanting to make a difference or be the difference in solving many challenges faced by our world today and in developing new products and services to create new market opportunities for a better world McLean Sibanda *My Thoughts in Words* Bulie Bella Gwanya,2011-10-31 Every single day is worth you giving it a brand new effort that you need to give at heading towards a life you deserve and is worth living My thoughts In Words is about simple realisations applied that made a huge impact in someone s life I am quite determined to share these realisations as many people will relate to them This book will take our readers to an intrepid journey of the past present and the future by engaging in these three Chapters the book is divided into Homeschooling High School Shirley Erwee,2014-08-28

Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers They need information and answers to their questions And with the current educational and unemployment problems in South Africa young people need clear direction and guidance to help them achieve their goals In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system Homeschooling High School also challenges readers to rethink their values particularly the value they place on certification and to consider some unconventional or alternative paths to success In a clearly presented format the book includes advice on legal matters identifying appropriate courses sourcing study material tips on entrepreneurship financing tertiary studies and the testimonies of successful homeschooled graduates Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond

Shaping the Future of South Africa's Youth Helene Perold,Nico Cloete,Joy Papier,2012 Why solving ongoing problems with the NQF National Qualifications Framework matters The challenges unemployment imposes on youth The challenge of youth to work transitions an international perspective A statistical overview of further education and training colleges Strengthening the capacity of FET Colleges to meet the needs of young people Higher education and an expanded post school educational system Trends in training in South Africa Key issues in the assessment of South Africa s national skills development strategy Opening the doors of learning Viewing the post school education and training landscape from a youth perspective *Rising from My Knees* Sandra Hlatshwayo,2013 My book is a memoir based on my life experiences

and how I have overcome life's challenges as a single mother as a student and living with my daughter in a single parent home with my five brothers The aim of the book is to motivate and inspire teen mummies to pursue their dreams and achieve their goals no matter what circumstances they are in I truly believe that with hard work and dedication dreams do come true The book has fifty one chapters and poems based on my thoughts and fears of failing in life which makes it okay In the end I must say that I have lived my life This book will inspire my readers to appreciate life and to cherish all that surrounds them with passion by letting the past go and reaching to the future with a purpose

Twenty-Twenty Hindsight Mosiuoa Sekese, 2013 Twenty twenty hindsight means perfect understanding of events only after they have happened In his book Mosiuoa Sekese looks back on his life in the old and new South Africa and gives his own perceptive interpretation of the past events Sekese suffered discrimination and prejudice under the old apartheid government as well as the new democratic regime His story is highly personal but provides the reader with unique insights into the social and educational challenges that South Africa continues to grapple with I had a quick read and I find the content heartbreaking but fascinating Especially as a white South African you are drawing me into a world that I always knew existed but which few people have the guts and conviction to paint into words Louise Heystek Emerton CEO Wordwise Khuluma Awethu
