The Human Comedy French La Comédie Humaine is the title of Honoré de Balzac's multi-volume collection of interlinked novels and stories depicting French society in the period of the Restoration 1815-1830 and the July Monarchy 1830-1848
It consists of 91 finished works stories novels or analytical essays and 46 unfinished works some of which exist only as titles
It does not include Balzac's five theatrical plays or his collection of humorous tales the Contes drolatiques 1832-37
The title of the series is usually considered an allusion to Dante's Divine Comedy while Ferdinand Brunetière the famous French literary critic suggests that it may stem from poems by Alfred de Musset or Alfred de Vigny
While Balzac sought the comprehensive scope of Dante his title indicates the worldly human concerns of a realist novelist
The stories are placed in a variety of settings with characters reappearing in multiple stories
Notable works included in the Human Comedy
The Purse Domestic Bliss The Imaginary Mistress A Daughter Of Eve Honorine Beatrix Gobseck A Woman Of Thirty Old Goriot Father Goriot Colonel Chabert A Marriage Contract Another Study Of Woman Ursule Mirouet Eugénie Grandet The Vicar Of Tours The Illustrious Gaudissart César Birotteau Sarrasine Cousin Bette Cousin Betty The Girl With The Golden Eyes The Chouans Z. The nineteenth century M tis politician and mystic Louis Riel has emerged as one of the most popular and elusive figures in Canadian culture Since his hanging for treason in 1885 the self declared David of the New World has been depicted variously as a traitor to Confederation a French Canadian and Catholic martyr a bloodthirsty rebel a pan American liberator a pawn of shadowy white forces a Prairie political maverick a First Nations hero an alienated intellectual a victim of Western industrial progress and even a Father of Confederation Albert Braz synthesizes the available material by and about Riel including film sculpture and cartoons as well as literature in French and English and analyzes how an historical figure could be portrayed in such contradictory ways In light of the fact that most aesthetic representations of Riel bear little resemblance not only to one another but also to their purported model Braz suggests that they reveal less about Riel than they do about their authors and the society to which they belong The most comprehensive treatment of the representations of Louis Riel in Canadian literature *The False Traitor* will be a seminal work in the study of this popular Canadian figure
