John Cage is the outstanding composer of avant garde music today The Saturday Review said of him Cage possesses one of the rarest qualities of the true creator that of an original mind and whether that originality pleases irritates amuses or outrages is irrelevant He refuses to sermonize or pontificate What John Cage offers is more refreshing more spirited much more fun a kind of carefree skinny dipping in the infinite It s what s happening now The American Record Guide There is no such thing as an empty space or an empty time There is always something to see something to hear In fact try as we may to make a silence we cannot Sounds occur whether intended or not the psychological turning in direction of those not intended seems at first to be a giving up of everything that belongs to humanity But one must see that humanity and nature not separate are in this world together that nothing was lost when everything was given away      **The Other Tudors** Philippa Jones,2017-03-07 Forget everything you thought you knew about Henry the Eighth While Henry VIII has frequently been portrayed as a womanizer author Philippa Jones reveals a new side to his character Although he was never faithful Jones sees him as a serial monogamist he spent his life in search of a perfect woman a search that continued even as he lay dying This book brings together for the first time the other women of King Henry VIII When he first came to the throne Henry VIII s mistresses were dalliances the playthings of a powerful and handsome man However when Anne Boleyn disrupted that pattern ousting Katherine of Aragon to become Henry s wife a new status quo was established Suddenly noble families fought to entangle the king with their sisters and daughters if wives were to be beheaded or divorced so easily the mistress of the king was in an enviable position Yet he loved each of his wives and mistresses he was a romantic who loved being in love but none of these loves ever fully satisfied him all were ultimately replaced The Other Tudors examines the extraordinary untold tales of the women who Henry loved but never married the mistresses who became queens and of his many children both acknowledged and unacknowledged Philippa Jones takes us deep into the web of secrets and deception at the Tudor Court and explores another often unmentioned side to the King s character      The Ladies' Companion ,1863      Costume & Fashion ...: no. 1.
