Respected Madam,

I, along with our whole staff at the XYZ organization would like to extend our heartfelt gratitude towards you for the given kind sponsorship to organize a workshop and seven-day event. It is because of your help and support, the event turned in to huge success to people at work. The event hosted a variety of sports such as Tennis, football, cricket, table tennis and badminton to swimming and long tennis, along with few very exciting shows of sportsmanship. We are very sure that the event could not have been possible and such a success without your humble and kind support.

Thank you so much, Madam.

We really look forward towards your sustained support to us in the future too. Thanks a lot.

Regards,
John Mill

Vela-McConnell, 1999-09-16 Points the way toward a world in which we might feel more connected to and responsible for each other The Community Table Susan Cole Urano, 2019-01-15 In resource challenged Athens

County Ohio staff and volunteers at the nonprofit Athens County Foundation came up with a daring idea to host a locally sourced gourmet dinner for four hundred people. The meal would be held on the brick paved main street of the city of Athens to raise funds for the food bank and increase awareness of the persistent local struggle with food insecurity as well as raise the visibility of the foundation. The logistical challenges were daunting but the plan would unite the community around the common theme of providing for its own. Since then Bounty on the Bricks has become a touchstone event that raises close to one hundred thousand dollars for the food bank. In The Community Table Athens County Foundation executive director Susan Urano translates her years of nonprofit experience with large scale annual fundraisers into a step by step guide for development professionals, community leaders and volunteers. Urano guides readers to consider when to mount a fundraiser, who the stakeholders are, what social and financial value the event will bring to the community and how partnerships might augment the payoff. Using real life examples she explains how organizers can learn from mistakes and illustrates methods of team building, conflict resolution and problem solving. Sample ideas, timelines, budgets, publicity plans and committee structures round out *The Community Table: Events Management*. Glenn Bowdin, Johnny Allen, Rob Harris, Ian McDonnell, William O'Toole, 2012-05-23. *Events Management* is the must have introductory text providing a complete A-Z of the principles and practices of planning, managing and staging events.
