

Hospice Volunteer Thank You

We prepare for life as children, life is so short, only moments long.

We stand on the edge clasping hands in friendship, doing for each other what we would like done for us.

Sharing, believing in a better world through volunteering, taking time to help and understand each other as final moments come so suddenly upon us.

Daily, appreciation and thanks come our way, helping to pave our paths towards heaven.

Behind the thank yous are hidden wonderful people who do the good deeds so deserving of the praise they receive.
