Call Me Uncle Tom? Lillian Thompson, 2018-08-10 Lillian Thompson has always wondered who she is and why she is here on Earth While growing up during the 1960s in Cleveland Ohio and attending a Mennonite church she felt a responsibility to follow the beliefs her parents practiced daily As the youngest of five children Lillian journeyed through early childhood without noticing racial differences But when she began attending public school and found herself a minority Lillian began to slowly transform into a good girl at church and a bad girl on the streets In her memoir Lillian describes a poignant and challenging coming of age journey in which she dutifully follows the word of God while being placed in several different situations that cause her to simultaneously question the meaning of love After enduring sexual abuse by a neighbors son Lillian wonders if she will ever find true love until she meets Morris But when she becomes pregnant and later marries Morris she realizes that the way of life she has been following for years no longer holds its appeal And so begins her

pilgrimage to the truth Call Me Uncle Tom shares one womans story of how her faith in God was not only tested and shaped by her life experiences but also by racial and religious cultures in America **The Indubitable Battle: Christian Lifestyle** Chinyere Echefu,2020-12-22 There is one thing that the devil and his cohorts do not want every child of God to do He does not want us to have a perfect relationship with God He divides and rules us However God desires personal intimate relationship with Him The only way we can achieve this is through prayer He wants everyone to come to Him directly in the name of Jesus Christ The whole extent of Christianity is to have an intimate relationship with God Unfortunately many of us are distracted in the church by a lot of serving and wording The Lord wants to see us at the battle well protected Do you know that Christians are living in the front line of spiritual and physical warfare Yes we are What are you doing about it Are you praying You should Do you think you do not know how to pray Do you think God will not answer your prayer because of your sins It is all lies May be you are having difficult stabilizing yourself in faith These are no problems for a willing child of God In this book God used the author to expose the loopholes in attaining intimate relationship with God and outline how to close up such holes There are Biblical expositions on sin forgiveness restitution right attitude to prayer and praying right with authority This book equally addresses church relationship and corporate prayer It is to help you fight against the spiritual warfare which is inevitably against every believer If you are a new believer or you have been long in the faith yet find it difficult to pray effectively or keep up with your decision to pray and fast this book will help It also Biblically points you to Jesus your prayer mentor Remember this book is not written recital prayer book It is a book on the complete prayer

She was raped, treated as a slave, married to a Muslim man, then widowed when he died of HIV/AIDS. Then she discovered she also had AIDS. After two years of treatment, when medications no longer offered hope at death's door and no longer able to walk, God healed her completely. Today she has an international ministry and ministers to more than 3,000 Ugandan widows and orphans.
