Teacher Von Unruh,2015-12-15 Spring theme The Gift of Faith This spring lessons in Adult Bible Studies follow the theme The Gift of Faith The student book writer is Jack Gilbert Von Unruh is the writer for the teacher book Tests of Faith The quarter s first four lessons deal with powerful faith simple faith struggling faith and resurrection faith by examining biblical texts from Mark s Gospel Restorative Faith The first lesson in the second unit examines Luke s account of the healing of the centurion s servant while the second lesson continues in Luke 7 with a focus on the woman who anointed Jesus feet with expensive perfume The third lesson features Luke s account of Jesus healing the demon possessed man and the next lesson also from Luke explores the account of the prodigal son The last lesson in this unit focuses on Jesus teaching about forgiveness and giving and receiving correction Fullness of Faith The four lessons that conclude this quarter s study again come from Luke s Gospel The first looks at Jesus healing of the ten lepers the second examines Jesus contrast of the Pharisee and the tax collector The third lesson explores Jesus teaching about having childlike faith The final lesson of this quarter highlights joyous faith by reviewing Jesus encounter with the tax collector Zacchaeus Developed for use with the student book based on the Uniform Series this leader resource provides a wealth of information planning ideas and lesson guides for each of the 13 lessons in the quarter This resource includes detailed study of the biblical text suggestions for developing lessons teaching options maps and charts It features articles that explore biblical themes related to the passages studied in the lessons Available in regular print as a downloadable file or an eBook Knowledge and the Coming Kingdom Jonathan Schwiebert,2008-08-01 Knowledge and the Coming Kingdom is a study of the meal prayers of Didache 9 10 The opening chapters pursue a sustained argument regarding the relationship between the Didache s meal ritual and the well known tradition of Jesus final meal The central goal of this argument is to clarify that the silence of the Didache s prayers regarding Jesus sacrificial death is neither trivial nor the result of textual accident but is instead tied up with how this ritual works as a ritual Schwiebert aims to counter a weighty tradition of reading the Didache s testimony in light of the New Testament accounts and so to free the tradition to become an analytical reference point for a consideration of Christian origins En route to this goal ritual theory serves as an ally that offers insights into the workings of a uniquely attested ritual Having isolated the Didache s tradition in this way he then examines its original milieu arguing for a branch of the Jesus movement that held to Jesus teachings as a privileged form of knowledge even while they affirmed the futurity of God s kingdom and their own

eschatological existence From this point he reassesses the various potential parallels to the Didache s prayers and their degree of sympathy with this ritual form to reconstruct a trajectory of the ritual s influence in early Christianity The clues are traced to Egypt where as elsewhere they finally lead to the loss of this ritual form often for identifiable reasons **Time Out**
