Hart, 2000-06-01 In 1978 when Michael Hart s controversial book *The 100* was first published critics objected that Hart had the nerve not only to select who he thought were the most influential people in history but also to rank them according to their importance Needless to say the critics were wrong and to date more than 60 000 copies of the book have been sold Hart believed that in the intervening years the influence of some of his original selections had grown or lessened and that new names loomed large on the world stage Thus the publications of this revised and updated edition of *The 100* As before Hart s yardstick is influence not the greatest people but the most influential the people who swayed the destinies of millions of human beings determined the rise and fall of civilizations changed the course of history With incisive biographies Hart describes their careers and contributions Explaining his ratings he presents a new perspective on history gathering together the vital facts about the world s greatest religious and political leaders inventors writers philosophers explorers artists and innovators from Asoka to Zoroaster Most of the biographies are accompanied by photographs or sketches Hart s selections may be surprising to some Neither Jesus nor Marx but Muhammad is designated as the most influential person in human history The writer s arguments may challenge and perhaps convince readers but whether or not they agree with him his manner of ranking is both informative and entertaining *The 100* revised and updated is truly a monumental work It promises to be just as controversial just as

thought provoking and just as successful as its predecessor a perfect addition to any history or philosophy reference section

The Works of Alexander Pope Alexander Pope, 1871 *Pope Gregory X and the Crusades* Philip Bruce Baldwin, 2014 First full length study of Pope Gregory X in relation to Crusade demonstrating his significant impact Pope Gregory X stood at the very centre of the crusading movement in the later thirteenth century An able diplomat he showed himself adept at navigating the political waters of Europe and the Mediterranean World His crusade gained the participation of virtually all of the leaders of Western Europe and even the Byzantine emperor and the Ilkhan of the Mongols crucial if his crusade were to have a chance of defeating the very formidable and successful Mamluk Sultan Baybars However Gregory's premature death put paid to his crusade plans Perhaps because of this Gregory has hitherto been somewhat neglected by historians a gap which this book aims to fill It provides a full account of his contribution to the Crusade demonstrating that he left a lasting mark on how crusading would operate in the years to come PHILIP BALDWIN received his doctorate from Queen Mary University of London

The Works of Alexander Pope: Correspondence Alexander Pope, 1871

Pope Alexander III (1159-81) Anne J. Duggan, Peter D. Clarke, 2016-04-22 Alexander III was one of the most important popes of the Middle Ages and his papacy 1159-81 marked a significant watershed in the history of the Western Church and society This book provides a long overdue reassessment of his papacy and his achievements bringing together thirteen essays which review existing scholarship and present the latest research and new perspectives Individual chapters cover topics such as Alexander's many contributions to the law of the Church which had a major impact upon Western society notably on marriage his relations with Byzantium and the extension of papal authority at the peripheries of the West in Spain Northern Europe and the Holy Land But dominant are the major clashes between secular and spiritual authority the confrontation between Henry II of England and Thomas Becket after which Alexander eventually secured the king's co-operation and the pope's eighteen year conflict with the German emperor Frederick I Both the papacy and the Western Church emerged as stronger institutions from this struggle largely owing to Alexander's leadership and resilience he truly mastered the art of survival

Alexander Pope Netta Murray Goldsmith, 2017-11-01 This title was first published in 2002 Making use of the growing body of research in recent years on

the nature of creativity Netta Goldsmith here presents a new view of the famous poet whose personality has long frustrated scholars as elusive Goldsmith tells the story of Pope s life so as to show the factors personal and public psychological and social which shaped his character and enabled him to secure widespread recognition as a major poet Discussions of significant works are integrated into the narrative covering main events and key relationships as well as illustrating points made throughout about Pope s approach to his art Among other things this book shows how vulnerable Pope felt as a Papist in a time of endemic Jacobite activity and how his fear of possible prosecution for sedition determined much of his conduct and the way he shaped his career Alexander Pope The evolution of a poet not only provides a fresh perspective on Pope but also on the very nature of literary creativity

[The French Riviera Adventure Guide](#) Ferne Arfin,2011-04-15 Starting just east of la Ciotat the great sweep of Mediterranean coast all the way to the Italian border is referred to as the Cote d Azur or the Riviera It is a large area with dozens of beaches and despite the coast s reputation for toney glamor alternating with brash vulgarity it s a great location for watersports boating parascending climbing hiking and gliding The Western Cote d Azur is a deeply indented coast characterized by many small towns miles of sandy beaches and three great mountainous headlands called massifs The Massif des Maures Massif de l Esterel and Massif de Tanneron foreshadow the march of the Alps to the sea farther east along the Riviera They offer stunning long distance views and provide miles of good walking For years French vacationers kept the region their secret staying in their holiday homes or with friends and family As a result the massifs remain largely undiscovered territory for foreign visitors who usually race around and between them on motorways heading for the coast If you stop to enjoy this region you ll find it has its own personality and surprises Among the attractions here are St Tropez and St Raphael Like a lot of people I got my first glimpse of the Riviera watching classic movies on television Cary Grant and Grace Kelly trading barbs on a balcony overlooking a yacht filled harbor in To Catch a Thief one of any number of James Bonds or Simon Templars stepping out of the Casino at Monte Carlo Pink Panther movies car chases on the Grande Corniche David Niven in Casino Royale They all created an indelible impression of a gorgeous glamorous and expensive jetsetters paradise The term jetsetter is a little dusty these days but substitute Eurotrash and the idea is the same celebrities minor royals and fashionistas mingling with arms dealers deposed dictators media tycoons and shipping magnates while gossip columnists write about their lifestyles of apparently endless leisure This is not an entirely imaginary picture There s no denying that the Riviera is a playground for the rich and famous Behind the walls and towering hedges of Cap Ferrat and other such places most of what all the money in the world will buy can probably be found But don t be put off if you re traveling on a modest budget It is the glamor of the landscape and all the outdoor activities to which it lends itself that was probably what attracted the beautiful people in the first place And that is within reach of everyone Breathtaking drives along Les Corniches de la Riviera and coastal walks that range from gentle strolls to challenging climbs are laced between the distinctive towns and villages Antibes Nice Menton Beaulieu sur Mer Villefranche scattered almost artfully along the

coast In the skies paragliders float down like flower petals from a handful of exceptional launch sites Starting around Antibes and heading east the back country rises and the Alps crowd down to the water Along the way the villages perched become ever more dramatic Eze at 427 m 1 400 feet tops a narrow dome of rock La Turbie at 500 m 1 640 feet is where the Emperor Augustus planted the Trophée des Alpes a 165 foot monument to the power of Rome that still lords over the coast and looks down on Monte Carlo the medieval village of Sainte Agnes just inland of Menton at 800 m 2 600 feet claiming to be the highest coastal village in Europe This is an excerpt equivalent to about 200 print pages from the 420 page Adventure Guide to Provence the Côte d'Azur Both books are highly detailed exploring the culture the sights and activities the places to stay and the best restaurants Dozens of photographs are included plus 15 detailed maps [Pope's Mythologies](#) A.D. Cousins, Daniel Derrin, 2023-05-05 This volume is the first to discuss the canon of Pope's verse in relation to Early British Enlightenment thinking about mythology and mythography Pope did not merely use classical along with non classical mythology in his verse as a traditional richly diverse medium through which to represent the diversity of private and civic life in his day but he was an ambitious translator as well as refashioner of myth It is a medium that he shapes anew and variously across all his major poems This volume enhances appreciation of myth as a mode of apprehension as well as expression throughout Pope's verse In doing so it illuminates how in early eighteenth century Britain understandings of what myth is and what it does were taking new directions not least in response to Baconian thought and its legacy **Anniversary Essays on Alexander Pope's 'The Rape of the Lock'** Donald W. Nichol, 2016-01-01 In celebration of its tercentenary this collection brings together ten eminent scholars with new perspectives on the poem [History of the Popes](#) Leopold von Ranke, 1901 [Pope Joan \(the Female Pope\)](#) Emmanouël D.
