The 4 Disciplines Of Execution Achieving Your Wildly Important Goals:

The 4 Disciplines of Execution Chris McChesney, Sean Covey, Jim Huling, 2012-04-24 The 4 Disciplines of Execution is a book every leader should read Clayton Christensen Professor Harvard Business School and author of The Innovator's Dilemma For fans of Good to Great and The First 90 Days The Four Disciplines of Execution is the foundational text for creating lasting organizational change A 1 Wall Street Journal bestseller with more than 500 000 copies sold The Four Disciplines of Execution will radically change your business Do you remember the last major initiative you watched die in your organization Did it go down with a loud crash Or was it slowly and quietly suffocated by other competing priorities By the time it finally disappeared it's likely no one even noticed What happened Often the answer is that the whirlwind of urgent activity required to keep things running day to day devoured all the time and energy you needed to invest in executing your strategy for tomorrow The 4 Disciplines of Execution can change that forever The 4 Disciplines of Execution 4DX is a simple repeatable and proven formula for executing your most important strategic priorities in the midst of the whirlwind By following the 4 Disciplines Focus on the Wildly Important Act on Lead Measures Keep a Compelling Scoreboard Create a Cadence of Accountability leaders can produce breakthrough results even when executing the strategy requires a significant change in behavior from their teams 4DX is not theory It is a proven set of practices that have been tested and refined by hundreds of organizations and thousands of teams over many years When a company or an individual adheres to these disciplines they achieve superb results regardless of the goal 4DX represents a new way to think and work that is essential to thriving in today's competitive climate The 4 Disciplines of Execution is one book that no business leader can afford to miss

The 4 Disciplines of Execution: Revised and Updated Chris McChesney, Sean Covey, Jim Huling, Scott Thele, Beverly Walker, 2021-04-20 Outlines a proven formula for achieving goals explaining how individuals and organizations can hone four execution based skills in areas of focus documentation and accountability

The 4 Disciplines of Execution - India & South Asia Edition Sean Covey, 2014-11-27 The Four Disciplines of Execution is about a simple proven formula for reaching the goals you want to reach as a business or individual In Covey's experience the thing that most undermines the ability to execute goals is what he calls the Whirlwind those urgent tasks that must be done simply to keep an organization alive As Covey shows the only way to execute new important goals is to separate those goals from the Whirlwind The Four Disciplines allow leaders to create a strategy that requires a change in behaviour since only by ensuring that everyone on the team understands the goal knows what to do to reach it and knows whether progress is being made will a leader produce consistent breakthrough results while sustaining the urgent work of the Whirlwind The Four Disciplines of Execution are 1 Focus on the Wildly Important 2 Act on the Lead Measures 3 Keep a Compelling Scoreboard 4 Create a Cadence of Accountability For more than a decade Franklin Covey has been studying what it takes to achieve important goals and in this book they share success stories from a wide range of companies that have implemented the Four Disciplines to result in

greater profits increased market share and improved customer satisfaction This way of thinking is essential to any company that wants to not only weather but thrive in this economy This edition is specifically adapted for the South Asia market by Rajan Kaicker CEO of FranklinCovey India featuring anecdotes and advice to reflect this emerging market **SUMMARY:**

businesses to reliably commit to the goals and plans they set authored by associates from FranklinCovey a management consultancy Rather than focusing on what a business must accomplish to be successful the four disciplines establish how to accomplish those things One reason commitments tend to be abandoned in business is that new projects and goals are less urgent than the day to day tasks of each individual employee which the authors call the whirlwind The key to commitment fulfillment is for new tasks to take up only a small portion of each employee s time but for that employee to be held accountable for completing them The first discipline is to settle on one or two wildly important goals WIGs These are the things that would have the most significant impact on progress toward the business s long term goals In the second discipline the WIG DISCLAIMER We are convinced that our professional summaries will introduce more readers to the full book who otherwise would have turned a blind eye by the sheer commitment Our intention is sincere in that readers could use this summary as an introduction or a companion to the original book not as a substitute **SUMMARY - The 4 Disciplines Of Execution: Achieving Your Wildly Important Goals By Chris McChesney Sean Covey And Jim Huling** Shortcut

Edition, 2021-06-19 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will discover how to achieve all your goals through the application of four fundamental principles You will also discover that choosing one priority means giving up other options that an action plan must be concrete and established step by step that setting up a scorecard is essential to monitor the progress of a plan that each actor in the project must commit to the action s he will carry out that these four disciplines apply to all types of projects including personal projects When you embark on a project you are driven by enthusiasm You have many ideas you see far ahead you are full of energy and you want to do everything at once It seems pretty simple to you because you know where you want to go and your ambition is clear But it is much more complicated to prioritize where you want to go which can be even more difficult when you have to take a whole team with you By applying the four disciplines of execution you will discover a reliable method to bring your project to fruition Are you ready to discover the elements of success Buy now the
