The Alchemist Full Text And Introduction Nhb Drama Classics:

The British National Bibliography Arthur James Wells, 2001 **The Alchemist** Ben Jonson, 1968-11 This is a pre 1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts, the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

The Alchemist (Classic Reprint) Ben Jonson, 2017-09-16 Excerpt from *The Alchemist*: Cartwright opens Act IV Of his Ordinary with a verse sung by a citizen: My name is not Tribulation Nor holy Ananias About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Alchemist Ben Jonson, 2020-03-09 *The Alchemist* With Introduction By Felix E Schelling And Glossary This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve, and recreate the original content, we have worked towards: 1. Type setting, Reformatting: The complete work has been re-designed via professional layout formatting and type setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition, as opposed to other scanned printed Optical Character Recognition (OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content, pages, and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections, which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work. We believe that this work holds historical, cultural, and/or intellectual importance in the literary works community; therefore, despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING

The Alchemist Ben Johnson,2021-10-23 The Alchemist is a comedy by English playwright Ben Jonson Samuel Taylor Coleridge believed that it had one of the three most perfect plots in all of literature The play s clever fulfilment of the classical unities and vivid depiction of human folly have made it one of the few Renaissance plays except the works of Shakespeare with a continuing life on stage apart from a period of neglect during the Victorian era The plot like his other play Volpone or the Foxe deal with man s folly in pursuit of wealth In The Alchemist a character named Face sets about London deceiving a steady stream of dupes as he goes about dispensing spurious potions and charms While Face s goal is ostensibly wealth in Johnson s able hands the play really deals with those who want to change their station in life to make themselves into gold The servant longs to be a master and the ordinary man to be a magician It s Johnson s genius that allows this dark unfulfilled desire to be an entertaining and humorous life lesson in the end
