John Jakes, 2012-07-10 A family builds an empire amid murder, betrayal, and the Civil War in this saga by the #1 New York Times bestselling author of *North and South*. With the Civil War reaching its gory climax, the divided Kent family is pushed to the edge of complete destruction. With the advent of the transcontinental Union Pacific Railroad, the Kents continue to fight for their foothold among America's wealthy founding families. While their private insular war rages, young Jeremiah Kent is tempted by a calculating Southern belle into a trap of deceit, lust, and murder. There's no turning back as the Kents' destiny is set on an irreversible course alongside the great rebirth of America. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection. *The Power of Women* Roma Sen, 2023-04-20 Women have achieved significant advances in a variety of fields including education, business, politics, and the arts. Women enjoy equal rights and access to resources in many nations. Women deserve equal chances and respect as men. Women's strength comes from their capacity to create, invent, and inspire. Women have the ability to lead, build connections, and provide novel solutions. Women are strong and capable, and they can achieve great things through hard work and determination. They have the ability to change the world and make a significant difference in their communities. **White Buffalo** Joan Lectka Price, 2010-05-24 Crazy Horse told me that toward the end of his life, when he was trying so desperately to find a way for his people to continue to follow the sacred way of the buffalo, his spiritual guide Horn Chips told him that the sacred hoop of the people had been broken and would remain so until the Sioux followed what he called the New Way. This would not happen for seven generations. The Lewis and Clark Expedition opened the west to white settlement in the year 1805. If you count forward from that year, seven generations gives us until 2015. These are the words of Joseph Lone Eagle, a 21st-century Lakota mystic. **White Buffalo** is the exciting story of how the spirit of the great Oglala Chief returns to guide Joseph in preparing indigenous people for the catastrophic events foretold by prophecy: events that will usher in the New Way. **Get Rich Slow** Sarah Riegelhuth, 2013-04-22 How to build wealth the smart way: slow and steady. This book will show you how to take control of your finances and grow your wealth using nothing more than a few key principles and commonsense wisdom. It shows you how to let go of easy excuses, stop waiting around for magically simple solutions, set intelligent financial goals, and design an action plan that you can follow through to completion. Using a storytelling approach, it shares the financial experiences of the author and her clients, guiding readers through the tools and tactics necessary to effect positive financial change in their lives. Although focused on personal finance goals, the lessons here easily translate to life itself.
