The Americans Textbook Teacher Edition:

The Americans: Reconstruction to the 21st Century Holt McDougal, 2012 [Lies My Teacher Told Me](#) James W. Loewen, 2018-07-17 Every teacher every student of history every citizen should read this book It is both a refreshing antidote to what has passed for history in our educational system and a one volume education in itself Howard Zinn A new edition of the national bestseller and American Book Award winner with a new preface by the author Since its first publication in 1995 [Lies My Teacher Told Me](#) has become one of the most important and successful history books of our time Having sold nearly two million copies the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti Racist Scholarship and was heralded on the front page of the New York Times For this new edition Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems and calls out academic historians for abandoning the concept of truth in a misguided effort to be objective What started out as a survey of the twelve leading American history textbooks has ended up being what the San Francisco Chronicle calls an extremely convincing plea for truth in education In [Lies My Teacher Told Me](#) James W Loewen brings history alive in all its complexity and ambiguity Beginning with pre Columbian history and ranging over characters and events as diverse as Reconstruction Helen Keller the first Thanksgiving the My Lai massacre 9 11 and the Iraq War Loewen offers an eye opening critique of existing textbooks and a wonderful retelling of American history as it should and could be taught to American students **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1961 Includes Part 1 Number 1 2 Books and Pamphlets Including Serials and Contributions to Periodicals January December [Teachers' Monographs](#) , 1926 **Lies My Teacher Told Me** James W. Loewen, 2008 Criticizes the way history is presented in current textbooks and suggests a more accurate approach to teaching American history **Resources in Education** , 1999 **Lies My Teacher Told Me: Young Readers' Edition** James W. Loewen, 2019-04-23 Now adapted for young readers ages 12 through 18 the national bestseller that makes real American history come alive in all of its conflict drama and complexity [Lies My Teacher Told Me](#) is one of the most important and successful history books of our time Having sold nearly two million copies the book won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti Racist Scholarship Now Rebecca Stefoff the acclaimed nonfiction children s writer who adapted Howard Zinn s bestseller *A People s History of the United States* for young readers makes Loewen s beloved work available to younger students Essential reading in our age of fake news and slippery sloppy history [Lies My Teacher Told Me Young Readers Edition](#) cuts through the mindless optimism and outright lies found in most textbooks that are often not even really written by their authors Loewen is as historian Carol Kammen has said the history teacher we all should have had Beginning with pre Columbian history and then covering characters and events as diverse as the first Thanksgiving Helen Keller the My Lai massacre 9 11 and the Iraq War Loewen s lively provocative telling of American history is a counter textbook that retells the

story of the American past The Nation This streamlined young readers edition is rich in vivid details and quotations from primary sources that poke holes in the textbook versions of history and help students develop a deeper understanding of our world Lies My Teacher Told Me Young Readers Edition brings this classic text to a new generation of readers and their parents and teachers who will welcome and value its honesty its humor and its integrity **Grade Teacher** ,1928
