Rethinking the Anthropology of Magic and Witchcraft Phillips Stevens, Jr., 2023-12-12 This book introduces students to the anthropology of magic and witchcraft terms widely used but with no widely accepted definitions It takes a new approach to this area within the anthropology of religion demonstrating that the bases for these beliefs and alleged practices are inherent in human cognition and psychology even instinctual and likely rooted in our evolutionary biology It shows how magic and magical thinking are regular elements in people s daily lives and that understanding the components of the witchcraft complex offers surprisingly important insights into patterns of thinking and social behavior The book reviews the many meanings of magic and witchcraft and introduces the best anthropological meanings of the terms The components of these beliefs are timeless and universal this fact and recent advances in the brain sciences suggest that the principles of magic are derived from basic processes of human thinking and the attributes of the witch derive from neurobiologically based fears and fantasies The propensity for such beliefs probably had adaptive significance in the evolutionary development of the human species they are inherently human This book is intended to focus anew on the core concepts of magic witchcraft and the supernatural while also serving as an introduction to the anthropology of religion for undergraduate and graduate level courses

A Concise Introduction to Cultural Anthropology Mark Q. Buck, 2024-12-03 Cultural identity matters to us and to Jesus Culture is all around us Nothing we think do or say exists outside of it But the story of God is clear We are all made in God s good image and God s people are meant to be a diverse community Looking to the example of Jesus author J W Buck offers practical insights into how cultural identity fits into our walk as Christians No matter where we come from and no matter how complex our cultural narratives the Scriptures point to the One who embodied a particular identity of a Jewish man in first century Palestine in order to shape our own Jesus teaches those formed by majority culture to humbly embrace their identity as they foster space for others And he empowers those from minority cultures to resist pressure to assimilate in unhealthy ways and instead live into their God given identity God dignifies our culture and wants us to shape it to look more like Jesus We are meant to be like Jesus in our home culture in our heart language and throughout our collective journey to understand how our diversity points us to a better expression of God s good image *Human Societies* Mark Q. Sutton, 2025-05-28 Human Societies A Brief Introduction succinctly covers the basic concepts of cultural anthropology in a way that is relevant and engaging to the introductory student Less time is spent on anthropological detail and more time on the relevance of anthropological understanding to the contemporary world The issues facing the contemporary Western world are also confronting the thousands of other societies The book deals with topics such as the variety of sexualities the thousands of religions how people adapt to their environments the ways people organize themselves the multitude of foods and cuisines adaptations to climate change refugees and migrants and the many different approaches to reproduction all topics to which students should already be generally aware Included are succinct chapters discussing personality adaptation social political and economic organization food and diet sex and gender religion and ritual and change and development The book also includes short Spotlight boxes that enlighten the reader about specific topics of interest as well as chapter summaries exercises key terms and a comprehensive glossary Human Societies A Brief Introduction is essential reading for undergraduate students taking their first steps into cultural and applied anthropology

Witchcraft Accusations and Persecutions as a Mechanism for the Marginalisation of Women Samantha Spence, 2017-08-21 This books draws on feminist commentary from the disciplines of anthropology history law politics and sociology in order to deal with the phenomenon of modern day witchcraft It focuses on the re emergence of witchcraft beliefs in contemporary society suggesting that witchcraft accusations and persecution are being used as a marginalisation mechanism of women The re emergence of witchcraft beliefs in contemporary society and the prevalence of the violence

associated with such beliefs has received little attention within academic literature yet witchcraft related violence against women is progressively becoming one of the most pervasive forms of violence facing women today This book addresses this gap in the literature discussing the return of witchcraft beliefs to contemporary society whilst assessing the effectiveness of international human rights law in protecting women from witchcraft accusations and persecution
