Fundamental Theology Guy Mansini,2018-01-12 Fundamental Theology is fundamental because it is about how we see the mysteries of God his Christ the Church and the sacraments of the Church It is about how these things show themselves how God shows them to the eyes of faith If Christ and the Church are things shown fundamental theology is about the very showing itself Talking about the showing poses the risk however of losing sight of the things shown and drifting off into abstractions By continually referring back to the things shown this book will answer many of the questions that arise when we ask about the nature and necessity of Scripture and Tradition Magisterium and Dogma Faith and its praeambula In this second volume of the Sacra Doctrina series Fr Guy Mansini takes the reader on a tour through the essence and meaning of Catholic fundamental theology This title will serve as an excellent textbook for upper level undergraduate graduate and seminary students Book jacket *Reports of Cases Heard and Decided in the House of Lords on Appeals and Writs of Error* Great Britain.
