Lucas, Susan M. Zaeske, 1998 The leading text in public speaking The Art of Public Speaking is successful because it works well for both students and instructors Instructors rely on its careful explanations its reinforcing examples and its attention to the basics that help their tentative students become competent speakers Instructors have also come to rely on the most comprehensive package of support materials available with any text on public speaking For students the book brings the art of public speaking to life by providing a steady stream of vivid and illustrative examples and by patiently teaching the theory and practice of rhetoric by well chosen examples Developing Advanced English Language Competence Armin Berger, Helen Heaney, Pia Resnik, Angelika Rieder-Bünemann, Galina Savukova, 2022-02-03 This volume presents a systematic approach to developing advanced English language competence at tertiary level It includes the reflections of experienced language teachers and teacher researchers in the English Language Competence programme at the University of Vienna and provides

examples of good practice amalgamating teaching expertise and research with aspects of curriculum design and programme management The book addresses a growing academic and professional interest in understanding advanced language learning and use To date research has tended to investigate advanced proficiency from a specific theoretical viewpoint for example cognition psycholinguistic processing strategies or the assumption of a critical period or the age factor In contrast this work examines advanced proficiency from a curricular and instructional perspective by providing a profile of advanced level language development in a specific institutional context It brings together three areas of language education curriculum design pedagogical practice and research Within this triangle advanced English language education is the focus or conversely advanced English language education provides the lens through which links between curriculum design teaching and research can be established

**Preaching that Matters** Lori J. Carrell, 2013-04-11 Listeners do love their pastors and they agree with the sermon content they hear Lori Carrell once explained to a group of pastors but most sermons don't ask for change and most listeners don't experience spiritual growth as a result of the sermon A participant responded Let's get practical I want my preaching to make a difference What changes are worth making and how do I make them In *Preaching that Matters* Lori Carrell shares answers to that question drawing on the experiences of thousands of people preachers and their listeners whose effort she has studied over many years In each chapter of this book she offers research revelations about high impact preaching that will encourage and challenge readers to continue to grow as preachers She then links these principles with Reflective Practice Challenges RPCs exercises that honor the rich experiences of pastors while opening opportunities for self analysis spiritual introspection conversation with a trusted other or implementation of research based preaching recommendations The activities have been used by hundreds of other pastors and each RPC has been carefully selected for its demonstrated contribution to the process of transforming sermon communication A selection of the RPCs are available as a downloadable file E mail resource material rowman.com for more information As a communication expert Carrell approaches preaching from a sermon communication paradigm She begins with the task of identifying the spiritually transformative purpose of the sermon and then explores exegeting organizing deepening and delivering the sermon as well as listening to the listeners and planning for continued transformation Her own goal is simple to inspire and equip clergy to make changes that will enhance the transformative power of their preaching To connect with others reading *Preaching That Matters* and to find an online accountability partner join the book's Google communities
