Animal Musicalities Rachel Mundy, 2018-06-05 Over the past century and a half the voices and bodies of animals have been used by scientists and

music experts as a benchmark for measures of natural difference Animal Musicalities traces music's taxonomies from Darwin to digital bird guides to show how animal song has become the starting point for enduring evaluations of species races and cultures By examining the influential efforts made by a small group of men and women to define human diversity in relation to animal voices this book raises profound questions about the creation of modern human identity and the foundations of modern humanism From Curlers to Chainsaws Joyce Dyer, Jennifer Cognard-Black, Elizabeth MacLeod Walls, 2016-02-01

The twenty three distinguished writers included in *From Curlers to Chainsaws* Women and Their Machines invite machines into their lives and onto the page In every room and landscape these writers occupy gadgets that both stir and stymie may be found a Singer sewing machine a stove a gun a vibrator a prosthetic limb a tractor a Dodge Dart a microphone a smartphone a stapler a No 1 pencil and of course a curling iron and a chainsaw *From Curlers to Chainsaws* is a groundbreaking collection of lyrical and illuminating essays about the serious silly seductive and sometimes sorrowful relationships between women and their machines This collection explores in depth objects we sometimes take for granted focusing not only on their functions but also on their powers to inform identity For each writer the device moves beyond the functional to become a symbolic extension of the writer's own mind altering and deepening each woman's concept of herself **Birding for Beginners**

Sheila Buff, 2010-05-04 The essential companion to any birder's field guide *Birdwatching* is for everyone No other outdoor pursuit yields so much knowledge of nature's ways with so little effort if one knows what to look for *Birding for Beginners* opens the world of birding to the novice in this complete guide to getting the most out of birding This updated edition includes a new chapter on birding online and features detailed chapters on equipment identification techniques birding by ear where to view birds field guides optics and other essentials to get the beginner quickly into the field to identify birds Especially valuable are chapters on bird behaviors such as feeding flight courting and breeding nesting and migration informing the beginner not only about what kind of bird is on the other end of the binoculars but what it is up to as well
