The Adventure Of The Red Circle:

Adventure of the Red Circle Sir Arthur Conan Doyle, Well Mrs Warren I cannot see that you have any particular cause for uneasiness nor do I understand why I whose time is of some value should interfere in the matter I really have other things to engage me So spoke Sherlock Holmes and turned back to the great scrapbook in which he was arranging and indexing some of his recent material But the landlady had the pertinacity and also the cunning of her sex She held her ground firmly You arranged an affair for a lodger of mine last year she said Mr Fairdale Hobbs Ah yes a simple matter But he would never cease talking of it your kindness sir and the way in which you brought light into the darkness I remembered his words when I was in doubt and darkness myself I know you could if you only would Holmes was accessible upon the side of flattery and also to do him justice upon the side of kindness The two forces made him lay down his gum brush with a sigh of resignation and push back his chair Well well Mrs Warren let us hear about it then You don t object to tobacco I take it Thank you Watson the matches You are uneasy as I understand because your new lodger remains in his rooms and you cannot see him Why bless you Mrs Warren if I were your lodger you often would not see me for weeks on end No doubt sir but this is different It frightens me Mr Holmes I can t sleep for fright To hear his quick step moving here and moving there from early morning to late at night and yet never to catch so much as a glimpse of him it s more than I can stand My husband is as nervous over it as I am but he is out at his work all day while I get no rest from it What is he hiding for What has he done Except for the girl I am all alone in the house with him and it s more than my nerves can stand Holmes leaned forward and laid his long thin fingers upon the woman s shoulder He had an almost hypnotic power of soothing when he wished The scared look faded from her eyes and her agitated features smoothed into their usual commonplace She sat down in the chair which he had indicated
