   The AltaVista Search Revolution Eric J. Ray,Deborah S. Ray,Richard Seltzer,1998 Experience the revolutionary search powers of AltaVista   **Information Retrieval and Management: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources,2018-01-05 With the increased use of technology in modern society high volumes of multimedia information exists It is important for businesses organizations and individuals to understand how to optimize this data and new methods are emerging for more efficient information management and retrieval Information Retrieval and Management Concepts Methodologies Tools and Applications is an innovative reference source for the latest academic material in the field of information and communication technologies and explores how complex information systems interact with and affect one another Highlighting a range of topics such as knowledge discovery semantic web and information resources management this multi volume book is ideally designed for researchers developers managers strategic planners and advanced level students   **Sys Admin** ,1998   *Web Business Bootcamp* Richard Seltzer,2018-03-01 First published in 2002 The specific examples are dated because business on the Internet changes rapidly But the underlying principles and lessons hold true You re in basic training for the battle of your life Your mission is to keep your company alive and to help it move forward quickly in unfamiliar territory You must master the tools and techniques needed to serve customers and beat the competition into he strange and potentially hostile online business environment This no nonsense tip driven guide targets key activities that anyone can perform to truly achieve online business success Internet marketing pioneer Richard Seltzer gets managers out of the boardroom and into the trenches for crucial hands on Web experience which provides insight into how to win on the e commerce battlefield He also helps entrepreneurs develop a viable business model without depending on high priced design services and consultants as well as gives technology oriented professionals a broad business perspective for tackling new online responsibilities   *Shop Online* Richard Seltzer,1999 Internet shopping is becoming a popular and efficient way of buying a wide range of products This guide shows how to safely shop via the Internet   **Infonomics and the Business of Free: Modern Value Creation for Information Services** Regazzi, John J.,2013-08-31 The term infonomics has been coined to convey the underlying value of information in terms of its production market demand and economic impact All consumers have come to assume that the information they seek is easily accessible and more importantly free of charge Infonomics and the Business of Free Modern Value Creation for Information Services addresses the question of whether or not information has become a commodity and examines how infonomics and the business of free have changed the way companies must create and market their information to make it accessible and valuable for their customers Information professionals who are responsible for creating valuable information and making services sustainable and accessible will greatly benefit from this book s unique perspective and complete review of current research   **Trojan Tales** Richard Seltzer,2024-03-30 These stories selected from three novels show events of the Trojan

War reflected through the minds of participants who are immersed in the immediacy of the moment Because we re blessed with the gift of not knowing the future life isn t just what happens It s enriched by the cloud of possibilities what might happen what we expect and hope for This novel is a showing rather than a telling of the stories of Troy restoring the immediacy of the moment as experienced by Cassandra Helen Clytemnestra Iphigenia Polyxena Andromache and Hecuba Your familiarity with the traditional stories will prompt you to anticipate only to be surprised by depths of personality and motivation consistent with the original but unexpected And you ll savor the ironic differences between what you know as a reader and what the characters know Rather than tediously proceed from one event to the next you leap ahead from one dramatic moment to the next The action takes place in dialogue and inner dialogue thoughts in the making rather than narration exposition A standard synopsis plot summary would miss the point of the book The story unfolds as traditionally known but the personalities and motivations of the main characters are often surprising For example Helen and Paris don t go to Troy and no one knows where they are until after the war has gone on for more than nine years When she shows up she had close cropped hair and a jagged scar across her cheek from an encounter with pirates Achilles is a cross dresser He has a romance with Polyxena daughter of the king of Troy who has the look and the training of an Amazon and can out wrestle her Clytemnestra s handmaid is her lover Aegisthus in disguise Her children are his not her husband Agamemnon s
