George W.E. Nickelsburg in Perspective, vol. 1 Jacob Neusner, Alan Avery-Peck, 2022-11-07 Here we reread George W E Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870 *A Testimony of Jesus Christ - Volume 1* Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides *The Old Testament Pseudepigrapha* James H. Charlesworth, 2010-02 The Old Testament Pseudepigrapha is truly a work of international importance and Hendrickson Publishers is pleased to offer it in this economical paperback edition Book Jacket **The New Day of Atonement** Hans M. problem of evil has preoccupied world religions for centuries The Old Testament contained no uniform dogma on evil powers launching a fierce debate that has dominated theological and philosophical thought through the centuries to this day Evil and the Devil brings together contributions from leading international scholars to chart that debate tracing the history of evil from its origins in the Old Testament through early Judaism and the New Testament to the thought of Origen and one of the topic's most influential theologians Augustine What role did evil adopt in ancient Judaism What impact did the association of miracles with demons have upon Matthew's Gospel Evil and the Devil examines such questions resulting in a fascinating and comprehensive exploration of portrayals of evil and its power and influence on religious thought The Colossian

Syncretism Clinton Arnold, 2014-12-01 Our modern era is not unique in its fascination with angels and the spirit world Paul's young converts in Colossae also had a keen interest in the subject but some of them allowed this interest to distort their newfound Christian faith Defining the exact nature of the Colossian heresy however has been a perennial challenge to interpreters The Colossian Syncretism offers groundbreaking evidence on the true nature of the problem that the Apostle Paul opposed so vehemently Drawing upon little known angel inscriptions magical texts and archeological evidence from Asia Minor the author argues that the Colossians tried to combine Paul's teachings about Christ with local pagan and Jewish folk beliefs The result was a syncretism that kept them captive to the fear of evil spirits dependent on the power of magic and amulets and blind to the liberating power of the indwelling Christ the supreme Creator and Lord of all spiritual principalities and powers In addition to unearthing the historical background of Paul's letter to the Colossians The Colossian Syncretism presents Paul's strategy for addressing the religious syncretism he faced there It thus provides a working model for Christian missionaries and evangelists discipling converts from today's religiously pluralistic societies **The New Cambridge**

To Follow the Lamb Ted Grimsrud, 2022-03-31 For many the book of Revelation seems hopelessly hard to interpret It gives the impression of being full of frightening and confusing visions However To Follow the Lamb A Peaceable Reading of the Book of Revelation shows that Revelation actually is fascinating inspiring and empowering The key to reading Revelation is simple Let s take seriously the opening words of the book that tell us it is a revelation of Jesus Christ Let s expect Revelation to help us understand Jesus and his will for us We may expect that Revelation shares the same basic sensibility that we find in the Gospels and the rest of the New Testament Revelation is an exhortation to discipleship follow the Lamb wherever he goes It offers a sharp critique of the world s empires and of how people of faith find ways to be comfortable within the empires Revelation portrays God as merciful and peaceable but engaged in a battle against the spiritual powers of evil as fought with the weapons of love not worldly violent weapons To Follow the Lamb opens up Revelation s blueprint for faithful living Resistance to the empires and embrace of the compassionate and healing love of the Lamb **T&T Clark**

contains the final nine messages given during the spring 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Mending Ministry of John The overall subject of John s writings which include his Gospel his Epistles and Revelation is that the Triune God wants to dispense Himself into His chosen people as their life and life supply to make them divine so that they may express Him in full and for eternity In Revelation John presents the consummate vision in the Bible and the ultimate fulfillment of God s eternal economy the New Jerusalem The mending ministry of John carried out in the divine and mystical realm of the consummated Spirit is for the living out and the working out of the New Jerusalem The New Jerusalem is lived out by the believers becoming the New Jerusalem and the New Jerusalem is worked out by the believers building the New Jerusalem The New Jerusalem is the ultimate answer to the Lord s prayer in John 17 for the glorification of the Triune God through the oneness of the believers built into the Triune God This city is the City of Jehovah the city of life the holy city and the city of glory Even in the Old Testament the prophets describe this city as a person that is one with Jehovah Isaiah says They will call you the City of Jehovah 60 14 and Ezekiel concludes his prophecy by declaring that the name of the city from that day shall be Jehovah Is There 48 35 The City of Jehovah means that Jehovah is in His redeemed regenerated transformed and glorified tripartite people and that they are in Him Jehovah Is There refers to the presence of Jehovah Himself who will be united mingled and incorporated with His people to be one entity the great corporate God man The New Jerusalem is also the city of life The Christ ministered by John is for the dispensing of the Triune God as life into man s tripartite being Out of such a ministered Christ the children of God are brought forth by receiving the eternal life They then partake of the fellowship of the eternal life by abiding in the Lord and walking in the light They are taught by the anointing to enjoy the virtues of the divine birth with the divine seed As a result they become the testimony of Jesus the lampstands as the expression of the Triune God to be the firstfruits and the harvest as the expression of life and the bride of the Lamb as His increase and satisfaction Moreover the New Jerusalem is the holy city God s living word His breathing out as the divine breath into the believers works within them to separate them from the world and to saturate them with the divine nature to make them a holy city the corporate and ultimate Holy of Holies as the reality of Zion To live out and work out the New Jerusalem the believers partake of the divine nature of the Father by exercising their spirit to enjoy God as Spirit the nature of God s person and by remaining in the divine fellowship to enjoy God as love the nature of God s essence and as light the nature of God s expression Furthermore the New Jerusalem is the city of glory The Lord wants to occupy every room in our being and He desires that we would be filled with His riches unto the fullness of God so that there would be glory to God in the church The Father will be glorified when His many sons are thus filled with the Triune God To be filled with the Triune God of glory for His corporate expression the believers must cooperate with the Spirit who is daily operating in them by their allowing the Spirit to infuse and transmit all the riches of the Triune God into them All believers need to be open to this Spirit to allow the Triune God to fill them to flow through them and to overflow out of them

so that there would be the full expression of the Triune God in the church as the reality of the Body of Christ This Body will in turn consummate in the New Jerusalem as the ultimate expression of the consummated Triune God in and through man The New Jerusalem is the church as the reality of the Body of Christ in its ultimate state and consummation To live out the New Jerusalem is to grow up into Christ the Head by the mingling of God with man and to work out the New Jerusalem is to function out from the Head for the building up of the Body of Christ Only the Body of Christ will remain forever as the unique mutual abode of God and man so that God as the Spirit and man as the bride becoming a married couple are mingled and incorporated together to be one entity a great corporate God man Thus the issue of John s mending ministry is the accomplishing of the goal of God s economy which is to obtain the enlarged universal divine human incorporation of the consummated Triune God with the regenerated believers the New Jerusalem in eternity
