

THANK you

Thank you, Teacher,
For all your hard work
and your care.

You make me feel better
when I'm feeling a little scared.

You show me how to write, to count,
to make and do.

But what I love most is the kindness
you show me too.

You've seen a light in me
and showed me what I can achieve.

And now because of you,
in myself I'll always believe!

Thank You Poem For 3rd Grade Teacher:

Thank You, Teacher Holly Holbert, Bruce Holbert, 2016-04-01 What do rock stars Nobel laureates bestselling novelists astronauts and attorneys have in common A teacher changed their lives Like them most of us can name a teacher who gave us not only good instruction but also confidence and drive But in the face of teachers being blamed for a variety of social and economic woes teachers themselves can easily wonder whether they are making a difference in students lives When veteran teacher Bruce Holbert asked himself this question his wife Holly responded by sending letters to hundreds of people she had never met and had no reason to believe would respond asking about teachers who mattered to them She was overwhelmed by answers Thank You Teacher presents more than eighty of these up close and personal stories By a delightfully diverse range of contributors these essays are wise and witty testaments to the teachers who do what they do every day without expecting recognition but who so richly deserve it *Cruisin On Desperation* Pat G'Orge-Walker, 2010-08-01 In this hilarious send up of church life the husband hungry members of the Oh Lawd Why Am I Still Single church group have gathered to complain about the slim pickings in their little town of Pelzer South Carolina And newcomer Birdie Tweet may offer just the opportunity they re looking for Birdie s love life was bleak until she received a phone call from Lyon Lipps an irresistible Afro Latino hunk Unbeknownst to Birdie he s also a con artist who has seduced countless women Now he s found Jesus and wants to reconnect with good Sister Tweet But when Birdie passes around Lyon s photo which is actually his mug shot several ladies in the church group recognize him The ladies devise a plan for revenge that will also improve their chances of meeting men They re going cruising aboard the aptly named ship Desperation of the Seas And they plan to trick Lyon into sailing along with them Soon they re riding a wave of bickering betrayal and unholy behavior with plenty of laughs and a few genuine revelations along the way A winner Angela Benson author of Sins of the Father Page turning laughs a soul stirring message and characters you won t soon forget after reading Cruisin on Desperation your cruise through life and faith will never be the same Stacy Hawkins Adams author of Worth a Thousand Words Gut splitting laughter and a strong spiritual message Jacquelin Thomas **Bills Paid** William Spaid, 2022-02-03 This book is a collection of poems written on napkins and in notebooks In a way the poems wrote themselves The poems were written as a way of maintaining my mental balance and as a means of exercising frustrated desires I have indulged myself in considering loves lost Then I would amuse myself with a poem or two written in a humorous vein Some poems are dark and others are lighthearted It is hoped that the enclosed poems will provide the same mood changing service for the reader as they have provided to your author

Boy Writers Ralph Fletcher, 2023-10-10 Writing test scores indicate that boys have fallen far behind girls across the grades In general boys don t enjoy writing as much as girls What s wrong How can we do a better job of creating boy friendly classrooms so their voices can be heard In *Boy Writers Reclaiming Their Voices* Ralph Fletcher draws upon his years of experience as staff developer children s book author and father of four boys He also taps the insights from dozens of writing teachers around the US and abroad *Boy Writers* asks teachers to imagine the writing classroom from a boy s perspective and consider specific steps we might take to create stimulating classrooms for boys Topic choice emerges as a crucial issue The subjects many boys like to write about war weapons outlandish fiction zany or bathroom humor often do not get a warm reception from teachers Fletcher argues that we must widen the circle and give boys more choice if we want to engage them as writers How We must begin by recognizing boys and the world in which they live *Boy Writers* explores important questions such as What subjects are boy writers passionate about and what motivates them as writers Why do boys like to incorporate violence into their stories and how much should be allowed Why do we so often misread and misunderstand the humor boys include in their stories In addition the book looks at how handwriting can hamstring boy writers and how drawing may help welcoming boy friendly writing genres in our classrooms ways to improve our conferring with boys and more Each chapter begins with a thorough discussion of a topic and ends with a highly practical section titled

What can I do in my classroom Boy Writers does not advocate promoting the interests of boys at the expense of girls Rather it argues that developing sensitivity to the unique facets of boy writers will help teachers better address the needs of all their students
