The Merchant of Venice In Plain and Simple English, 2011. To be or not to be may be one of Shakespeare's most famous soliloquies, but right behind it is Shylock's famous "Hath not a Jew eyes" speech. It's a moving speech that is often overlooked because let's face it, it's old. Now you can at last understand the profound wisdom and humor of this classic Shakespeare comedy. If you don't understand Shakespeare, then you are not alone. If you have struggled in the past reading Shakespeare, then BookCaps can help you out. This book is a modern translation of *The Merchant of Venice*. The original text is also presented in the book along with a comparable version of the modern text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final or someone just trying to understand a book more, BookCaps can help. We are a small but growing company and are adding titles every month.
