Miller, Deborah C. Wirwicz, 2014-07-29 Print CourseSmart *Sound Love* D.J. Fronimos, 2024-12-17 Ultrasound student Pam is thrilled to do her final clinical rotation at the office of a renowned OB doctor She has only four weeks left to learn everything she needs to know to work in the field and who better to learn from than Dr

V whom she admires However most of her time at the clinic is spent under the tutelage of a gruff technologist who has little patience with students and finds Pam s skills lacking To make matters worse the young doctor Pam is trying to impress is both beautiful and sexy After yet another bad day Dr V once an ultrasound tech herself takes pity on Pam and offers her personal instruction after hours Alone with Dr V in a darkened exam room with only a thin paper gown separating them sparks fly Can Pam avoid making a fool of herself both professionally and on a more personal level Or will she fail not only in the career she loves but also romantically *The Nursing Student's Guide to Clinical Success* Lorene Payne,2010-01-08

approaches and the psychological impact of words and phrases Using the context of child adolescent and family psychiatry while also applicable to all therapeutic work the book deals with issues such as explaining clinical conditions and treatments confirming clinical contracts conveying difficult advice and painful news missed appointments and other practicalities Each letter is followed by detailed annotations and discussion Letters From the Clinic will prove a valuable tool to all those working in clinical and therapeutic practice

So You Want to Be a Nurse? Amira Clemens Msn Rn,2018-10-20 When I started nursing school I learned a lot of things that were important to my success I attended a workshop on how to do things like navigate the textbook revise notes from class and how to study Once I became an instructor I learned things to have students do that would assist them with test preparation and success This book is a collection of those things that came to be a significant and positive change in success for me and those seeking help from me Another important element of this book is the importance of staying positive believing in yourself and the influence energy has on the person These are some things that are generally left out of moving through school career choices and places of employment This book is a guide to help with achievement through nursing school It is a collection of tips tricks and theories that have assisted many to a successful nursing career Start to finish it will help change your thinking about the nursing career and the good in it If you are considering nursing as a career choice this is a nice tool that you can use to fill your time while you prepare for school to start or while you wait for your acceptance letter It can also be used if you are stuck on something and need a reference This is a great gift for a new nursing student and a nice addition to other prep books like Nursing School Thrive Guide by Maureen Osuna The rules of this book can also be translated to students in other careers This has been written with nursing in mind but many of the chapters can be used as advice to a multitude of college and vocational students Lastly this book is designed like a workbook Extra pages are added to take notes or to complete the activity at the end of the subsequent chapters So mark it up as you see fit and keep it as a keepsake and reminder of things you wrote and therefore put into the universe Thank you for purchasing this book If you did not purchase it yet I still would like to thank you for taking the time to consider this and reading the introduction
