

Dear Pastor,

Having lost my father, you have been such a blessing to my family. We all appreciated you showing up at the hospital on the night that he died. Additionally, the funeral service was so beautiful, and I will always remember it. Your genuine concern went a long way in helping me to cope with my grief, so thank you for offering to talk. I'm thankful to God that you're in my life, and you're a wonderful pastor.

All the best, Jane

Thanking Pastor For His Service:

Thank You Lord for Letting Me Be an Instrument of Your Love - Volume One An Anthology, When Saint Francis prayed for God to make him an instrument of His Peace it seems clear he also was including His Love And he like all of us no matter how loving our intentions may be have found ourselves speaking and doing in ways quite the opposite But then there are those blessed moments when accepting our imperfections and weaknesses with a humble heart we pray for Him to say and do through us to make us an instrument of His Love On those precious occasions when this prayer is answered and we are able to consciously witness Him manifesting miraculous Love through us what inexplicable Joy With our hard earned humility we know what has happened was His Grace breaking through our normal barriers of self limitation for we directly experience a degree of perfection in what is happening that we know is way beyond what we can do alone How did that Perfection of Divine Love break through me limitations Why now Why me And what can I do to increase openness to it happening again These and others are questions the contributors to this book have grappled with and lovingly share with us here May these gifts support and uplift you

Yeshua Mary Ognan,2012-02-18 Most women will be able to relate to Faith the main character in this story She had only dreamt about the life she was now living She thought she had a handle on it planning for her wedding and carrying out the work that God had clearly given her to do But the meeting with her employers changed everything They placed even more demands on her than she all ready had How could she possibly find the time to do it all Faith now had to make an impossible choice between the love of her life and her God given career Was this the Lords way of telling her that he had closed the door on this chapter of her career and had opened another She has to search deep into her soul to find the answers Her world is coming apart She cries out Lord is there a workable solution Pastor Michael had many sleepless nights of his own wrestling with his past When he confesses his past to the congregation will they accept or reject him And how will the new woman in his life react when she hears what his life was like five years ago Find the answers in this heartwarming story of unconditional love
