

More Than Just a Thank You: Expression of Thanks in English

Common Expressions of Gratitude in English

I'm so grateful for...

This is used for expressing deep gratitude for something significant. It can be an appreciation for a meaningful act or something important to you.

For example:

I'm so grateful for having a friend like you.

I appreciate it.

You can also use it in formal and informal situations to express gratitude for the help, kind words, etc.

For example:

X: Hi! I've bought you a coffee on my way to work. I've noticed that you like cappuccino.

Y: Oh, it is so cute. I appreciate your care.

You shouldn't have.

This is an excellent synonym for thank you so much. It is suitable when someone does something unexpected or you.

For example:

Q: I've bought you a new eyeshadow palette because I heard yours was broken.

A: Oh, please! You shouldn't have to! Thanks a lot.

Fascinating Alternatives to Thank You

Much obliged. This phrase is a more formal way of saying "thank you" and is often used in polite society or business settings.

Cheers. This is a typical British expression of gratitude, mainly used casually among friends.

Props. This is short for "proper respect" and is used to acknowledge someone's effort and show appreciation for it.

You're a lifesaver. You can use this expression to thank someone for saving the day or helping in a critical situation.

I owe you one. This is a way of being grateful for something while acknowledging that you owe the person a favor in return.

How Are We Going to Explain This? Jelmer Mommers, 2020-11-17 There's a new story in the making, one in which the consequences of our actions add up and every contribution is meaningful. If climate change is the biggest threat humanity has ever faced, then why are we doing so little about it? And where do we go from here? Journalist Jelmer Mommers knows most people prefer not to talk or even think about climate change, and that is exactly why he wrote this book. Denial and despair are not the only possible responses to the current crisis. Drawing on the latest science, Mommers describes how we got here, what possible future awaits us, and how you can help make a difference. Five years in the making, *How Are We Going to Explain This?* was an instant bestseller in the Netherlands. With this revised and updated translation, including responses to the COVID-19 pandemic, Mommers brings his unique blend of realism and hope to the wider world.
