Harmes, Barbara Harmes, Meredith A. Harmes, 2023-10-10 Globally, police officers are the object of unprecedented visual scrutiny. The use of mobile phones, CCTV, and personal body cams means that police are not only being filmed on the job but are also filming themselves. In popular culture, police have featured heavily on the big screen since the era of silent shorts and on television since the 1930s. Their fictional portrayals today take on added significance in light of social unrest surrounding cases of police brutality and discrimination. These essays explore 21st-century portrayals of police on film and television. Chapters often emphasize the Black Lives Matter movement and consider the tone, quality, appropriateness, and intention of film and television featuring police activity. Extensively covered works include *Mindhunter*, *Brooklyn Nine-Nine*, *Cops*, *Criminal Minds*, and *RoboCop*, and among the major topics addressed are policing communities, hunting serial killers, police animals, and police in historic settings ranging from the 19th century through the present day and into science-fiction futures.      **Poirot's Early Cases** Agatha Christie, 2009-03-17 With his career still in its formative years, we learn many things about how Poirot came to exercise those famous grey cells so well. Fourteen of the eighteen stories collected herein are narrated by Captain Arthur Hastings, including what would appear to be the earliest Poirot short story, *The Affair at the Victory Ball*, which follows soon on the events of *The Mysterious Affair at Styles*. Two of the stories are narrated by Poirot himself: *One*, *The Chocolate Box*, concerns Poirot's early days on the Belgian police force and the case that was his greatest failure. *My grey cells*: they functioned not at all, Poirot admits. But otherwise, in this most fascinating collection, they function brilliantly. Poirot's grey cells challenge the reader to keep pace at every twist and turn.      **The Mysterious Affair at Styles & The ABC Murders Bundle** Agatha Christie, 2020-05-05 TWO BESTSELLING MYSTERIES IN ONE GREAT PACKAGE From the Queen of Mystery, *The Mysterious Affair at Styles*, in which Hercule Poirot solves his first case, and *The ABC Murders*, which sets Hercule Poirot on the trail of a serial killer. *THE MYSTERIOUS AFFAIR AT STYLES* Who poisoned the wealthy Emily Inglethorpe, and how did the murderer penetrate and escape from her locked bedroom? Suspects abound in the quaint village of Styles St Mary: from the heiress's fawning new husband to her two stepsons, her volatile housekeeper, and a pretty nurse who works in a hospital dispensary. With impeccable timing and making his unforgettable debut, the brilliant Belgian detective Hercule Poirot is on the case. *THE ABC MURDERS* There's a serial killer on the loose, working his way through the

alphabet and the whole country is in a state of panic A is for Mrs Ascher in Andover B is for Betty Barnard in Bexhill C is for Sir Carmichael Clarke in Churston With each murder the killer is getting more confident but leaving a trail of deliberate clues to taunt the proud Hercule Poirot might just prove to be the first and fatal mistake     *Agatha Christie's True Crime Inspirations* Mike Holgate, 2011-11-08 Fact proves far stranger than fiction in this collection of real life crimes scandals tragedies and murders which either influenced the works of the world's most popular mystery writer or affected the lives of many famous personalities involved in her long and brilliant career Discover the truth behind many of her books such as how the exploits of Jack the Ripper inspired the serial killings in *The ABC Murders* and how the plot twist in *The Murder of Roger Ackroyd* was suggested by Lord Mountbatten This book also reveals how many of her illustrious acquaintances found themselves immersed in episodes so bizarre that they could have been written by Christie herself including how the father of Miss Marple actress Margaret Rutherford committed murder and Poirot actor Peter Ustinov witnessed the assassination of a world leader *Agatha Christie's True Crime Inspirations* is a fascinating addition to Christie literature focusing on little known parts of this iconic writer's life and career From her early roots in Torquay to her infamous eleven day disappearance no stone is left unturned as the events of her own life are revealed to be every bit as intriguing as her world renowned novels
