Food and World Culture Linda S. Watts, Kely Clark-Mahoney, 2022-08-23 This book uses food as a lens through which to explore important matters of society and culture In exploring why and how people eat around the globe the text focuses on issues of health conflict struggle contest inequality and power Whether because of its necessity pleasure or ubiquity the world of food and its lore proves endlessly fascinating to

most people The story of food is a narrative filled with both human striving and human suffering However many of today s diners are only dimly aware of the human price exacted for that comforting distance from the lived world realities of food justice struggles With attention to food issues ranging from local farming practices to global supply chains this book examines how food s history and geography remain inextricably linked to sociopolitical experiences of trauma connected with globalization such as colonization conquest enslavement and oppression The main text is structured alphabetically around a set of 70 ingredients from almonds to yeast Each ingredient s story is accompanied by recipes Along with the food profiles the encyclopedia features sidebars These are short discussions of topics of interest related to food including automats diners victory gardens and food at world s fairs This project also brings a social justice perspective to its content weighing debates concerning food access equity insecurity and politics

Routledge Handbook of Landscape and Food Joshua

Zeunert,Tim Waterman,2018-02-02 Since the turn of the millennium there has been a burgeoning interest in and literature of both landscape studies and food studies Landscape describes places as relationships and processes Landscapes create people s identities and guide their actions and their preferences while at the same time are shaped by the actions and forces of people Food as currency medium and sustenance is a fundamental part of those landscape relationships This volume brings together over fifty contributors from around the world in forty profoundly interdisciplinary chapters Chapter authors represent an astonishing range of disciplines from agronomy anthropology archaeology conservation countryside management cultural studies ecology ethics geography heritage studies landscape architecture landscape management and planning literature urban design and architecture Both food studies and landscape studies defy comprehension from the perspective of a single discipline and thus such a range is both necessary and enriching The Routledge Handbook of Landscape and Food is intended as a first port of call for scholars and researchers seeking to undertake new work at the many intersections of landscape and food Each chapter provides an authoritative overview a broad range of pertinent readings and references and seeks to identify areas where new research is needed though these may also be identified in the many fertile areas in which subjects and chapters overlap within the book

novel from the winner of the Center for Fiction's First Novel Prize Corthron a true heir to James Baldwin presents a startlingly original exposure of the complex roots of American racism Naomi Wallace MacArthur Genius Playwriting Fellow and author of *One Flew Over the Moon and the Mars* set in the impoverished Five Points district of New York City in the years 1857-1863 we experience neighborhood life through the eyes of Theo from childhood to adolescence an orphan living between the homes of her Black and Irish grandmothers Throughout her formative years Theo witnesses everything from the creation of tap dance to P.T. Barnum's sensationalist museum to the draft riots that tear NYC asunder amidst the daily maelstrom of Five Points work hardship and camaraderie Meanwhile white America's attitudes towards people of color and slavery are shifting painfully transformationally as the nation divides and marches to war As with her first novel *The Castle Cross the Magnet Carter* which was praised by Viet Thanh Nguyen Robin D.G. Kelley and Angela Y. Davis among many others Corthron's use of dialogue brings her characters to life in a way that only an award-winning playwright and scriptwriter can do As Theo grows and attends school her language and grammar change as does her own vocabulary when she's with her Black or Irish families It's an extraordinary feat and a revelation for the reader *Moon and the Mars* Corthron's latest masterpiece is an absorbing story of family and community of Africans and Irish of settler and native of slavery and abolition of a city and a nation wracked by Civil War and racist violence of love won and lost Robin D.G. Kelley author of *Thelonious Monk: The Life and Times of an American Original*
