*The New Day of Atonement* Hans M. Moscicke,2020-04-27 In this work Hans M Moscicke investigates the influence of the Day of Atonement on Matthew s passion narrative He argues that Matthew portrays Jesus as both goats of the Leviticus 16 ritual in his Barabbas episode Matt 27 15 26 Roman abuse scene Matt 27 27 31 and death resurrection narrative Matt 27 50 54 back cover

*What Makes the Gospel So Irreplaceable* Hendry Ongkowidjojo,2016-06-08 Every Christian must not be ashamed to affirm that Jesus is the only Savior of the world Here are the difficulties How we can say that when we do not even know how many other existing religions there are And besides isn t God all loving Isn t love all that matters in salvation What hinders God from saving as many people through as many ways as

possible We will find the answers in Romans 1 16 17 when we are exploring what Paul has said about the Gospel and its three unique qualities it is powerful it displays God s righteousness and it is received by faith alone Once we grasp these and once we put love and righteousness hand in hand we will understand why our salvation can be so firm and why the Gospel is so irreplaceable no matter what **The End Times Revealed in Revelation** Kathy Gibson,2022-08-29 In the Bible Genesis is the first book the book of beginning and Revelation is the last book the book of closing like the grand finale of the Bible although you may not picture it that way Like most people I thought Revelation was all about things that were hard to understand But with the Lord s help nothing is impossible with Him and that is what He has done for me If you ever put a jigsaw puzzle together you know each piece must be put in its correct place before you have a completed picture and Revelation is like that As we go through Revelation puzzle pieces will be found in its chapters beginning with seven churches Then more pieces are found in God s wrath starting with the seven seals seven trumpets seven vials seven worship celebrations and seven beatitudes And each of those sevens will form a completed picture of how the end times are revealed in Revelation The thousand year Millennium is next with Jesus Christ ruling and reigning on the earth as the King of kings And after that Satan and sin is finished forever and eternity begins without end In this study of Revelation we will see it is an amazing book with a wonderful ending So why study Revelation Because in Revelation 1 3 we are told Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand

of evil from its origins in the Old Testament through early Judaism and the New Testament to the thought of Origen and one of the topic's most influential theologians Augustine What role did evil adopt in ancient Judaism What impact did the association of miracles with demons have upon Matthew's Gospel Evil and the Devil examines such questions resulting in a fascinating and comprehensive exploration of portrayals of evil and its power and influence on religious thought **The Colossian Syncretism** Clinton Arnold, 2014-12-01 Our modern era is not unique in its fascination with angels and the spirit world Paul's young converts in Colossae also had a keen interest in the subject but some of them allowed this interest to distort their newfound Christian faith Defining the exact nature of the Colossian heresy however has been a perennial challenge to interpreters The Colossian Syncretism offers groundbreaking evidence on the true nature of the problem that the Apostle Paul opposed so vehemently Drawing upon little known angel inscriptions magical texts and archeological evidence from Asia Minor the author argues that the Colossians tried to combine Paul's teachings about Christ with local pagan and Jewish folk beliefs The result was a syncretism that kept them captive to the fear of evil spirits dependent on the power of magic and amulets and blind to the liberating power of the indwelling Christ the supreme Creator and Lord of all spiritual principalities and powers In addition to unearthing the historical background of Paul's letter to the Colossians The Colossian Syncretism presents Paul's strategy for addressing the religious syncretism he faced there It thus provides a working model for Christian missionaries and evangelists discipling converts from today's religiously pluralistic societies
