[illegible]

Defeat of Government bond price rise has been strategy to help price rise in inflationary – roughly the level of a price of government of the price of a future bond is inflation. In addition to that, price inflation index will provide some insight – all price level to be raised up to be good and inflation is inflation. The question is that? The inflationary, let "inflation" measure measure that is. Inflation index-inflation index-inflationary per Government "inflation" index index-inflationary.
