The Age Of Doubt:

The Age of Doubt Kyongni Pak,2022-09-15 The Age of Doubt collects some of Pak Kyongni s most famous works including her 1955 debut and other stories featuring characters that would appear in her 21 volume epic Toji Many of Pak s stories reflect her own turbulent experiences during the period following the Korean war and the various South Korean dictatorships throughout the twentieth century The Age of Doubt Christopher Lane,2011-01-01 The Victorian era was the first great Age of Doubt and a critical moment in the history of Western ideas Leading nineteenth century intellectuals battled the Church and struggled to absorb radical scientific discoveries that upended everything the Bible had taught them about the world In The Age of Doubt distinguished scholar Christopher Lane tells the fascinating story of a society under strain as virtually all aspects of life changed abruptly In deft portraits of scientific literary and intellectual icons who challenged the prevailing religious orthodoxy from Robert Chambers and Anne Bronte to Charles Darwin and Thomas H Huxley Lane demonstrates how they and other Victorians succeeded in turning doubt from a religious sin into an ethical necessity The dramatic adjustment of Victorian society has echoes today as technology science and religion grapple with moral issues that seemed unimaginable even a decade ago Yet the Victorians crisis of faith generated a far more searching engagement with religious belief than the new atheism that has evolved today More profoundly than any generation before them the Victorians came to view doubt as inseparable from belief thought and debate as well as a much needed antidote to fanaticism and unbridled certainty By contrast a look at today s extremes from the biblical literalists behind the Creation Museum to the dogmatic rigidity of Richard Dawkins s atheism highlights our modern day inability to embrace doubt
