Danny Ray Christian,2017-08-25 I realize that with this book I am like a voice crying in the wilderness as everybody else is crying at the sad state of the black community and finding nothing good to say about us I dare to believe and argue that we are still mighty people with much to be proud of So what I have done with this book is just talk about what I personally feel are the strong points of the black as people and community You can choose to say that I am living in a fantasy world if you want But I am confident that African Americans are going to eventually show the world that they are indeed a noble race and that they have much to offer society History has proven that when things are at their worst is when the tide changes and victory is won I strongly believe that we are on the verge of a breakthrough as far as our overcoming the problems that presently beset us I want to show with this book that we are as capable as any other race of growing stronger from the obstacles we face and struggle with These hard times are ultimately going to make us stronger and give us a hell of a story to tell our grandchildren and write in the history books for future generations to read      **Tripping into the Light** Charlie

Collins,2014-06-30 Diagnosed with a rare eye disorder in the third grade Charlie s self esteem began to unravel by the thread He wouldn t have a future as a detective like his hero Magnum P I He would never soar in a jet fighter like he dreamed He

would never drive a race car and see the checkered flag wave College was out of the question because he just wasn't smart enough At least that's what the teachers told him Only a God who was unusually cruel would shatter the dreams of a little boy by creating him defective It was the only explanation that made any sense and it was a crushing blow If God didn't care about him why should he care about himself And so began Charlie's freefall into a world of negative self talk and ultimately addiction A self destructive plummet that would see him cheat death twice as he marched to the precipice of suicide Raw and brutally honest Tripping into the Light is a tale of soaring triumphs and heartbreaking defeat It illustrates the power of true love and the undying spirit of hope It is about one man's willingness to try just one more time when it seemed all was lost Through Charlie's eyes we see that all things are possible if we are willing to roll up our sleeves and do the work [www.TrippingIntoTheLight.com](http://www.TrippingIntoTheLight.com)
