A Rosetta Key for U.S. History Michael A. Susko, 2023-12-21 This work explores a generational history from America's Colonial period to the United States of contemporary times. A novel historical approach will rely on generational markers every 15th year rather than yearly astronomical dates. This method will make history more accessible and its patterns more apparent. Identified from cultures presented in an earlier volume, the phasings are 1 Invisible Beginnings 2 Establishment and Testing 3 Novel Consolidation and Opening Up 4 Crisis and Creativity 5 Empire and Inclusion and 6 Rigidification or Renewal. This history does not seek to hide or obscure the shadow side of America nor does it fail to present beauty and light especially during the 30s generational phase. One discovery prompted by this generational time chart was to more fully consider the importance of New Spain in understanding U.S. history. A second and related theme is inclusion of the Indigenous whose influence extends to all phases of American history. Come journey with us and experience historical events and people's lives generation by generation and see how they fit into historical phases. Such an awareness the author contends will help us to make the generational choice of our times.

Generational Key to History Michael A. Susko, 2025-01-17 Generational Key to History Tracing Phases From Ancient Egypt to America. This work reveals how generations form the hidden rhythm of history. By charting time in 15-year generational intervals, an approach first used by the medieval historian Bede and later championed by the twentieth-century philosopher Jos Ortega y Gasset, the author uncovers distinct phases that recur across civilizations. Rather than relying solely on yearly dating, which can fragment historical awareness, this generational lens exposes history's deeper coherence. The phases found are 1 Beginnings and testing 0-15 generations 2 Establishment and unifying image beginning at 15-20 generations 3 Consolidation and opening up 30 generations 4 Crisis and creativity 40 generations 5 Universalization and inclusion 50 generations and 6 Renewal or rigidification 60 generations. Through detailed case studies, Egypt, Israel, Judah, Rome, the Medieval Modern era, and the United States, the author shows how each culture moves through these generational arcs, revealing a pattern that mirrors the human life cycle. The 30th generation, often neglected by historians, emerges as a pivotal phase of openness, justice, and illumination. In sum, A Rosetta Key for History does not merely present a new way to measure time; it reveals the living architecture of history itself. Across continents and centuries, generations become the Rosetta key for understanding time's unfolding design.

Understanding the Culture Jeff Myers, 2017-03-01 Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask, "How can an authentic Christian worldview provide a compassionate, effective witness in culture today?" Dr. Myers first shows readers what they can learn from Christian history and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.
