Sermons in Zephaniah, Haggai, & Zechariah R. J. Rushdoony,2023-06-09 We live in an age of practical atheism where men pay lip service to God and then do as they please Our time is marked by a failure to meet our responsibility while believing that nothing will happen that God will not judge His church as He s judged His people throughout history As we know judgment begins at the house of God because the church bears the greater burden of guilt for possessing the greater privileges of God s covenant grace salvation and courage We must take our lesson from Jerusalem of old to whom God sent prophets like Zephaniah Haggai and Zechariah to remind them of their covenant responsibility to provide the standard and word to the wicked nations around them In this volume R J Rushdoony brings out the two edged sword of God s law word through these three minor prophets to both warn and encourage us to greater faithfulness and ministry Like the faithful in ancient Jerusalem we can feel small marginalized and peripheral to history but Rushdoony reminds us that our security and effectiveness are determined by the God who controls history and not the evil machinations of men In this book is the message of hope that we desperately need right now To continue the great work of Christian Reconstruction we must walk by faith and not focus on the smallness of our efforts or our seemingly small results We must set our hearts and minds on the reality of God s promises and know that all power and dominion are in His hands What we cannot do God does not ask us to do What we can do God requires us to do We must stand in obedience to God and fulfill our

responsibility to be faithful in our duty and calling as workers parents ministers and churchmen As heirs together of the grace of life 1 Peter 3 7 our obedience helps our prayers to be heard and God s judgment to be enacted The future belongs to the dedicated minorities who commit themselves to God and His Word while not despising the day of small things This is how we face the world of our day Works of John Donne, With a Memoir of His Life John Donne, 2025-08-04 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

Spiritual Journey Tembi Annabel Ningiza, 2013-09-17 This book is about a spiritual journey that God takes us through in life Nobody is here by chance we are all here to serve Gods purpose through our various ministries Each and every one is being tested according to the needs of his or her ministry that is why we go through different kinds of trials and tribulations in order to strengthen and to refine our ministries If we call ourselves servants of the most High God then we need to allow to be tested in order for God to be able to use us because God will and has never used an untested product Through this journey we learn to discover who God really is instead of what other people or the bible tells us we get to know Him intimately and personally We learn not to depend on our own intelligence but on His wisdom as we grow mature spiritually God will never let go of our hand He will always hold us tight protects us and strengthen us all the time We have been given power from above to withstand anything including temptations and sin which we are here to overcome and overpower with the power vested in us by God himself God enjoys stepping up at times when all eyes are on you and when everybody expects you to fail or to draw He shows up his splendour and majesty and claim his glory through our situations trials and tribulations God is bigger than any obstacle that the devil might be throwing at you right now all you need to do is to trust him that He will not let go of you and to trust in his power the same power that resurrected our Lord Jesus Christ from the dead **The Reformed Church review** Reformed episcopal Church of England,
