The Attentive Life Discerning God S Presence In All Things:

The Attentive Life Leighton Ford, 2013-10-01 Framed around the monastic concept of praying through the hours of the day Leighton Ford helps you to develop spiritual attentiveness so you can pay attention to how God is working through you and in the world around you

The Attentive Life Leighton Ford, 2013-11-22 Your attention please That s what God wants Leighton Ford discovered It s the path to becoming like Christ Distractions and fear and busyness were keeping Ford from seeing God s work in and around him He was missing God So he began a journey of longing and looking for God And it started with paying attention In these pages he invites you to journey with him Using the rich tradition of praying the hours Ford will walk with you helping you pay attention to God s work in you and around you throughout each day and in different seasons of your life If you re busy distracted rushing through each day you might be feeling disconnected from God unable to see how he s working You might be missing him But the way toward him starts with a pause and a prayer with intention and attention and becomes a way of life awake and alive to the peaceful powerful presence of God

The Presence and Absence of God Ingolf U. Dalferth, 2009 Safeguarding the distinction between God and world has always been a basic interest of negative theology But sometimes it has overemphasized divine transcendence in a way that made it difficult to account for the sense of God s present activity and experienced actuality Criticisms of the Western metaphysics of presence have made this even more difficult to conceive On the other hand there has been a widespread attempt in recent years to base all theology on religious experience the Christian church celebrates God s presence in its central sacraments of baptism and Eucharist process thought has re conceptualized God s presence in panentheistic terms and some have argued that God might be poly present not omnipresent But what does it mean to say that God is present or absent For Jews Christians and Moslems alike God is not an inference an absentee entity of which we can detect only faint traces in our world On the contrary God is present reality indeed the most present of all realities However belief in God s presence cannot ignore the widespread experience of God s absence Moreover there is little sense in speaking of God s absence if it cannot be distinguished from God s non presence or non existence So how are we to understand the sense of divine presence and absence in religious and everyday life This is what the essays in this volume explore in the biblical traditions in Jewish and Christian theology and philosophy and in contemporary philosophy of religion

Experiencing the Presence of God Timothy Kong, 2014-02-03 What does it mean to have God s Presence upon our lives In the Christian faith there are so many people who have not experienced the proper teaching regarding God s powerful presence in their lives This workbook is meant to help you take you into a deeper study on how you can apply God s Presence in your life

Avoiding Pastoral Pitfalls James Osterhaus, 2021-10-05 James P Osterhaus offers pastors tangible and much needed advice to help them at work and in their personal lives advice that they do not often hear in seminary More and more men and women who minister find themselves depressed Their marriages are often in trouble Their families are negatively affected Often they have few if any

close friends Over the years Osterhaus has coached and counseled hundreds of these ministers from various traditions on four continents As he sat with ministers who have been nearly crushed by the burdens of ministry he came to learn that the average training of ministers across the globe is woefully deficient in the very areas that allow ministers to avoid many of the pitfalls This guide is a result of those countless conversations Avoiding Pastoral Pitfalls is an attempt to fill some of the void left in the training of pastors It offers down to earth practical guidance in areas of ministry that are often neglected understanding yourself both strengths and weaknesses what effective leadership looks like the complicated organizational makeup of the church how to deal with conflict effectively how to make sense of your governing board and how to both enter a new ministry and leave a ministry effectively

Deep Mentoring Randy D.

Reese,Robert Loane,2012-08-02 Randy Reese and Robert Loane argue that the best leaders are a product of deep mentorship Thus tomorrow s good leader needs a good mentor today This book taps into the twin resources of leadership and spiritual

formation to help you become the lifelong guide and friend our future leaders need **Every Breath We Take** Terry Wardle,2015-07-07 Christians are desperate for intimacy with the Lord While grateful for all he has done we long to encounter his presence in our daily lives Amazingly God desires the same relationship with us and he has made it possible for us to live in his presence love and generosity with every breath we take This book is designed to help you experience intimacy with God in your daily life It presents a simple yet effective spiritual practice that raises awareness of the abiding presence of the Lord in what has been called the sacrament of the present moment Every Breath We Take will give you a deeper understanding of God s presence love and generosity and provide you with a pathway to encounter him in deep and transforming moment by moment encounters The Grandparenting Effect Trevecca Okholm,2020-07-21 Whatever life gives you and wherever life takes you there is always a story Life and relationships all begin and are sustained in the context of a story This is not a how to do it right book as much as it is a book of stories personal stories from the author biblical stories and stories of ordinary grandparents and grandchildren who have been willing to share their own stories with which you may be able to identify and be encouraged in your own adventures of grandparenting This is a book for everyone that either has biological grandchildren or has the potential to influence the lives of non biological youth and children in the role of grandparenting This is also a book for churches to consider while planning for ministry to bring generations together in meaningful interactions and in doing so to create space for generations to share their stories and share in God s overarching Story of reconciling the world one story at a time **Whispers** Kimberly MacNeill,2014-09-26 Our lives are always changing and it can be confusing when we are in the middle of some new thing God is doing in us But if we are aware of who God is and how he works change can be a little less intimidating and a little more faith building our eyes can see a little more clearly and our hearts trust a little more deeply as God shapes and molds us This book is full of whispers whispers of truth hope and love I know that sometimes truth is hard to hear when someone is shouting it so I whispered it I know how hard it is when the future seems desperate and impossible so I whispered hope And as for the whispers of love I hope you hear them deeply I wrote them but they are from God For he is the one who knows you best and loves you most he is the one with the plan and the purpose the presence and the power to transform your life He is the one who wonderfully made you in the beginning and he is the one who can see the beautiful creation you are and are becoming I am certain that God who began the good work within you will continue his work until it is finally finished on the day when Christ Jesus returns Philippians 1 6 NLT Yi sheng yong xin Leighton Ford,□□,2012 Using the rich tradition of praying the hours Ford will walk with you helping you pay attention to God s work in you and around you throughout each day and in different seasons of your life from publisher description **The Emotionally Healthy Church, Updated and Expanded Edition** Peter Scazzero,Warren Bird,2013-05-23 In this new edition of his Gold Medallion Award winning book Peter Scazzero shares powerful insights on how contemplative spirituality can help pastors and individual church member slow down an integral key to spiritual and

emotional health Sharing from the painful but liberating journey of his own church Scazzero reveals exactly how the truth can and does make people free not just superficially but deep down This expanded edition of *The Emotionally Healthy Church* not only takes the six principles described in the original book further and deeper but adds a crucial seventh principle Principle 1 Look Beneath the Surface Principle 2 Break the Power of the Past Principle 3 Live in Brokenness and Vulnerability Principle 4 Receive the Gift of Limits Principle 5 Embrace Grieving and Loss Principle 6 Make Incarnation Your Model for Loving Well Principle 7 Slow Down to Lead with Integrity **The Future of Evangelicalism in America** Candy Gunther Brown, Mark Silk, 2016-04-26 In *The Future of Evangelicalism in America* thematic chapters on culture spirituality theology politics and ethnicity reveal the sources of the movement's dynamism as well as significant challenges confronting the rising generations A collaboration among scholars of history religious studies theology political science and ethnic studies the volume offers unique insight into a vibrant and sometimes controversial movement the future of which is closely tied to the future of America Depths As Yet Unspoken Roland Faber, 2020-07-30 Whitehead's thought continues to attract attention in mathematics and metaphysics but few have recognized with Roland Faber the deeply mystical dimensions of his philosophy If you like to phrase it so Whitehead states philosophy is mystical For mysticism is direct insight into depths as yet unspoken Where however do these unspoken depths speak in Whitehead and what are their associated themes in his philosophy For the first time *Depths As Yet Unspoken* gathers together Faber's most compelling writings on Whitehead's mutually immanent themes of mysticism multiplicity and divinity In dialogue with a diversity of voices from process philosophers and theologians to mystical and poststructuralist thinkers Faber creatively articulates Whitehead's theopoetic process cosmogony in its relevance to metaphysics cosmology everyday experience religious pluralism and interreligious violence spirituality and longstanding concerns of the theological tradition including creation the Trinity revelation religious experience and divine mystery Although Whitehead's mystical inclinations may not be obvious at first they in fact constitute the apophatic backdrop to his entire philosophical corpus Through Faber's work Whitehead's philosophy is revealed to be nothing short of a remarkable endeavor to speak to the unfathomable depth of things **Sense and Spirituality** James McCullough, 2015-06-02 There is growing interest in the relationship between the arts and Christian faith Much has been written about the arts and theology and the place of the arts in church life Not as much has been written however about how the arts might actually advance spiritual formation in terms of the cumulative effect of religious experience and intentional practices This book provides a modest step forward in that conversation a conversation between theological aesthetics and practical theology Understanding aesthetics as the realm of sense perception and spiritual formation as growing capacities to participate in God's purposes James McCullough suggests how these dynamics can mutually enhance each other with the arts as an effective catalyst for this relationship McCullough proposes an analysis of artistic communication and explores exciting examples from music poetry and painting which render theoretical proposals in concrete terms This book will

engage both those new to the arts and those already deeply familiar with them **The Listening Life** Adam S. McHugh, 2015-11-09 Listening is an essential skill for healthy relationships both with God and with other people But it is more than that listening is a way of life Adam McHugh places listening at the heart of our spirituality our relationships and our mission Heed the call to the listening life and hear what God is doing in you and the world Walk with Me Bill Mowry, 2021-03-02 Have we over complicated over systematized and over formalized making disciples When our hearts are changed by Christ it s natural that we should want to help others come to know Him too And while Scripture clearly sets forth how to do so modern Western society has formalized professionalized and systemized disciplinemaking to a point that it seems too complicated to practice What happened to the simple heart to heart ministries of the New Testament In Walk with Me you ll return to the essential biblical practices that help people grow as Christ followers in simple slow and deep ways Learn how you can connect with your neighbors coworkers or anyone you want to reach with the gospel in ways that are relational and Spirit led You ll learn five kingdom principles that will reshape how you can pass on the faith In heart to heart ways By keeping it simple By going slow By building deep By living on mission *The Cultivated Life* Susan S. Phillips, 2015-05-22 Sociology professor and spiritual director Susan Phillips walks us through our circuslike cultural landscape to invite us into a cultivated life of spirituality and attentiveness God extends to us an invitation to live in the garden of grace and these pages unfold the spiritual practices that can lead us into a new and delightful way of living A Guidebook to Prayer MaryKate Morse, 2013-11-04 Why is it so hard to master consistent and meaningful prayer MaryKate Morse explores 24 pathways of prayer meant to give readers a vast array of ways to focus and reflect Whether you are a beginner or a lifetime person of faith you will find a treasure trove of riches here to guide you into a deeper experience of prayer
