Gérard Pommier, 2024-10-25 What Does It Mean to Make Love shows how the choice of gender does not conform to anatomy

and is based on an often unrecognised psychic bisexuality Everyone chooses a gender by repressing another gender which becomes the site of both an attraction and a conflict a war of the sexes the contingencies of which animate desire G rard Pommier explores phantasy desire and perversion and their role in sexual machinery before considering the question of orgasm Pommier s work demonstrates that the analysis of orgasm brings out a political dimension and that aspects of both social and personal life are illuminated by the study of how we think consciously and unconsciously about orgasm and the role we ascribe to it This book makes valuable contributions to the study of sexuality and will be of interest to all psychoanalysts and students of psychoanalysis as well as those in the fields of gender studies anthropology and psychology

The Railroad in American Fiction Grant Burns, 2015-01-28 Nothing better represented the early spirit of American expansion than the railroad Dominant in daily life as well as in the popular imagination the railroad appealed strongly to creative writers For many years fiction of railroad life and travel was plentiful and varied As the nineteenth century receded the railroad s allure faded as did railroad fiction Today it is hard to sense what the railroad once meant to Americans The fiction of the railroad often by railroaders themselves recaptures that sense and provides valuable insights on American cultural history This extensively annotated bibliography lists and discusses in 956 entries novels and short stories from the 1840s to the present in which the railroad is important Each entry includes plot and character description to help the reader make an informed decision on the source s merit A detailed introduction discusses the history of railroad fiction and highlights common themes such as strikes hoboes and the roles of women and African Americans Such writers of pure railroad fiction as Harry Bedwell Frank Packard and Cy Warman are well represented along with such literary artists as Mark Twain Thomas Wolfe Flannery O Connor and Ellen Glasgow Work by minority writers including Jean Toomer Richard Wright Frank Chin and Toni Morrison also receives close attention An appendix organizes entries by decade of publication and the work is indexed by subject and title
