**William Hartung:** What's happening in Libya has a precedent. When Libya's rebels are free from oil, they've got another base and another place to recruit. But there's also a precedent for what happened in Libya: the former Saddam Hussein government had the same kind of weapons that were used in Libya, and they were being used by other groups sympathetic to the government in Libya.

The next section will focus on the relationship between the two models and how they can be used together.
