Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies **Hercules** Robert Weisbrot, 2004 This book is a follow up to the author's successful first book on the show In this he writes about the final three seasons The author's passionate introspection contains cast profiles and commentary from the stars on each episode Inspired Enterprise Glen E. Swanson, 2025-08-01 Star Trek is a phenomenon spinoffs and reruns have been a near constant presence on international television for more than 50 years More than a dozen feature films have been produced with many more on the way A Startrek to Eternity Ken W. Campbell, 2007-07 Secrets of the Bible Revealed Have you been puzzled by these seemingly impossible events from the Bible 1 How could the universe and everything in it have been created in seven days when the evidence suggests it took millions if not billions of years for it to form 2 Is it really possible that Joshua could have stopped the sun and moon on command as related in the Old Testament Wouldn't the entire solar system collapse if that were to happen 3 Can Heaven actually exist and if so just where is it 4 At death is it reasonable to believe the human spirit can be separated from our physical bodies and be transmitted to Heaven If so how is this accomplished 5 The Bible predicts that our every thought and action will be revealed in Heaven Is this possible using existing laws of physics 6 Could Jesus have actually appeared and then disappeared seemingly by magic as described by the Apostle John 7 Is it reasonable to believe that time will stand still in Heaven and life can be eternal The purpose of this book is to show how the events mentioned above may actually be possible using existing laws of science *"Hailing frequencies open"* Thomas D. Parham, III, 2019-07-15 Star Trek The Next Generation blended speculative science fiction and space opera in its portrayal of communication Multiple modes of communication used between characters are presented and the multilevel tapestry of communication in the series is critical in its appeal This book proposes that these patterns of communication reveal a foundational philosophy of Star Trek while enticing millions of viewers These patterns serve both to

cause strong empathetic connections with characters and to impel viewers to form relationships with the show explaining their extreme devotion
