The Meaning and Value of Spaceflight William Sims Bainbridge,2014-08-12 This book presents the most serious and comprehensive study by far of American public perceptions about the meaning of space exploration analyzing vast troves of questionnaire data

collected by many researchers and polling firms over a span of six decades and anchored in influential social science theories. It doesn't simply report the percentages who held various opinions but employs sophisticated statistical techniques to answer profound questions and achieve fresh discoveries. Both the Bush and the Obama administrations have cut back severely on fundamental research in space science and engineering. Understanding better what space exploration means for citizens can contribute to charting a feasible but progressive course. Since the end of the Space Race between the US and the USSR, social scientists have almost completely ignored space exploration as a topic for serious analysis and this book seeks to revive that kind of contribution. The author communicates the insights in a lucid style not only intelligible but interesting to readers from a variety of backgrounds.

The Ruins of Dantooine: Star Wars Galaxies Legends Voronica Whitney-Robinson, 2003-12-30. Enter the explosive universe of the exciting online game STAR WARS GALAXIES AN EMPIRE DIVIDED. It is a time of great turmoil. The oppressive Empire is close to seizing complete control of the galaxy. The ragtag guerrilla army of the Rebel Alliance fights on, striking wherever it can, but now something has come to light that could spell certain doom. Hidden in the Jedi ruins of Dantooine is a Holocron containing a list of high level Rebel sympathizers. If that list were to fall into the hands of Darth Vader, the Rebel Alliance would lose its most valued support and possibly the war itself. As an Imperial bio engineer who frequently visits other worlds, Dusque Mistflier is the perfect cover for a Rebel who needs to travel far and wide without arousing suspicion. And so she agrees to help Rebel spy Finn Darktrin in his quest to recover the crucial Holocron. Despite help from Han, Luke and Leia, the mission is fraught with peril. And as their journey takes them into the fiery belly of the beast that is galactic civil war, Dusque and Finn will learn that the hardest part of all is figuring out whose side you're on and how far you're willing to go to win.
