**U-STARS~PLUS Science Literature Connections** Mary Ruth Coleman, Ph.D., Sneha Shah-Coltrane, M.A., 2010-01-01  
Science Literature Connections provides an engaging way to explore scientific ideas within literacy instruction time using 32 popular children's books. Most of the selected books are readily available and many of the books have been translated into Spanish. Science Literature Connections is organized around Bloom's Taxonomy to support a range of thinking levels and to scaffold learning. By using these materials a teacher can create a higher level thinking environment around literature connected with science which motivates reluctant readers. The science concepts are based on the National Science Education Standards and align with most states science standards. Science Literature Connections was designed for Grades K-3 however many of the connections may be adapted for Grades 4-5.
