Star Incognito Bloom:

LOVI BLOOMS MARITES GUETA, 2017-03-09 Lovi Blooms is Lovimiamarie's first poetry and artwork book. This is all about facets of life and love illustrated in a childlike manner of artworks. She aims to connect with the readers through beauty of words and colours rolled into one that somehow can touch the hearts of others who read it. Life is to love and love is life. Let Lovimiamarie bring you to her world of rainbow's delight. Keystone Katie Delahanty, 2020-01-07 When Ella Karman debuts on the Social Stock Exchange she finds out life as a high profile Influencer isn't what she expected. Everyone around her is consumed by their rankings in creating the smoke and mirrors that make them the envy of the world. But then Ella's best friend betrays her her rankings tank and she loses everything. Leaving her old life behind she joins Keystone a secret school for thieves where students are being trained to steal everything analog and original because something or someone is changing history to suit their needs. Partnered with the annoyingly hot and utterly impossible Garrett Alexander who has plenty of his own secrets Ella is forced to return to the Influencer world while unraveling a conspiracy that began decades ago. One wrong move and she could lose everything again. The Keystone series is best enjoyed in order. Reading Order Book 1 Keystone Book 2 Incognito **The Blooming Mrs. Budd** Austin Goetz, 1939 **Extending Play** Alyxandra Vesey, 2024 Despite the hypervisibility of a constellation of female pop stars the music business is structured around gender inequality. As a result women in the music industry often seize on self branding opportunities in fashion cosmetics food and technology for the purposes of professional longevity. Extending Play examines the ubiquity of brand partnerships in the contemporary music industry through the lens of feminized labor to demonstrate how female artists use them as a resource for artistic expression and to articulate forms of popular feminism through self commodification. In this book author Alyxandra Vesey examines this type of promotional work and examines its proliferation in the early 21st century. Though brand partnerships exist across all media industries they are a distinct phenomenon for the music business because of their associations with fan club merchandise concert merchandise and lifestyle branding often foregrounding women's participation in shaping these economies through fan labor and image management. Through textual and discourse analysis of artists songs music videos interviews social media usage promotional campaigns marketing strategies and business decisions Extending Play investigates how female musicians co create branded feminine coded products like perfume clothes makeup and cookbooks and masculine coded products like music equipment as resources to work through their own ideas about gender and femininity as workers in industries that often use sexism and ageism to diminish women's creative authority and diminish the value of the recording in order to incentivize musicians to internalize the demands of industrial convergence. By merging star studies popular music studies and media industry studies Extending Play proposes an integrated methodology for approaching contemporary cultural history that demonstrates how female identified musicians have operated as both a hub for industrial convergence and as music industry professionals who use their extramusical skills
