The Virtual Future William Sims Bainbridge, 2011-09-06 The newest communication technologies are profoundly changing the world's politics economies and cultures but the specific implications of online game worlds remain mysterious The Virtual Future employs theories and methods from social science to explore nine very different virtual futures The Matrix Online Tabula Rasa Anarchy Online Entropia Universe Star Trek Online EVE Online Star Wars Galaxies World of Warcraft Burning Crusade and The Chronicles of Riddick Each presents a different picture of how technology and society could evolve in coming centuries but one theme runs through all of them the attempt to escape the Earth and seek new destinies among the stars Four decades after the last trip to the moon a new conception of spaceflight is emerging Rather than rockets shooting humans across vast physical distances to sterile rocks that lack the resources to sustain life perhaps robot space probes and orbiting telescopes will glean information about the universe that humans can then experience inside computer generated environments much closer to home All nine of these fantastically rich multiplayer masterpieces have shown myriads of people that really radical alternatives to contemporary society could exist and has served as a laboratory for examining the consequences Each is a prototype of new social forms a utopian subculture and a simulation of technologies that have yet to be invented They draw upon several different traditions of science fiction and academic philosophy and they were created in several nations By comparing these nine role playing fantasies we can better consider what kind of world we

want to inhabit in the real future **Starcraft: Queen of Blades** Aaron Rosenberg, 2007-05-01 Former marshal turned rebel Jim Raynor has broken away from the power crazed Emperor Arcturus Mengsk Enraged over Mengsk's betrayal of the powerful telepath Sarah Kerrigan to the ravenous Zerg Raynor has lost all faith in his fellow humanity Yet in the aftermath of Mengsk's treachery Raynor is plagued by strange visions of Char a deadly volcanic world haunted by horrifying alien creatures As the nightmares grow in intensity Raynor begins to suspect that they may not be figments of his imagination but a desperate form of telepathic contact Convinced that the woman he loves is still alive Raynor launches a hasty mission to rescue Kerrigan from Char But deep beneath the planet's smoldering surface Raynor finds a strange chrysalis and is forced to watch in horror as a terrible all too familiar entity rises from it Before him stands a creature of depthless malice and vengeance Sarah Kerrigan the Zerg Queen of Blades *Starcraft: War Stories* Blizzard Entertainment, 2014-07-21 As the Swarm boils in chaotic uncertainty Arcturus Mengsk has seized this opportunity to bolster his Dominion forces He has gathered a seasoned team of scientists the best terran minds in the Koprulu sector to unravel the secrets of the savage zerg and the enigmatic protozoi Because in this brutal corner of the galaxy the human race is going to need every chance it can get Collected here for the first time is Blizzard Entertainment's revolutionary Project Blackstone transmedia campaign It is a compilation of tightly woven short stories journals emails chats and tweets from the research staff of a top secret government facility dedicated to shedding light on the mysteries of this sector More than a simple anthology this volume is a target rich environment of weapons data exotic alien science and faceted backstory the lore foundations of the StarCraft universe 2014 Blizzard Entertainment Inc All Rights Reserved **StarCraft II: Devils' Due** Christie Golden, 2011-04-12 It was at times like this that Jim Raynor former marine lance corporal proud citizen of the Confederacy and erstwhile farm boy felt most alive At the speed at which he was urging the vulture the wind cooled his face so that the oppressive heat vanished He felt like a wolf hunting down prey except the purpose of today's adventure was not the death of a living being but the death of the empty state of Raynor's and Tychus's wallets This was a cargo train not a passenger train and inside its silvery innards was if Tychus's tip was right and Jim had every reason to believe it would be a very lovely very large safe filled with Confederate credits Why it's a rescue mission Jim Tychus had rumbled his blue eyes dancing with good humor as he had filled Raynor in on the plan Those poor creds they'd just be condemned to lining the pockets of some Old Families who don't need any more money Or else put to some nefarious scheme that could hurt somebody It's our duty hell it's our calling to liberate them creds to where they could do something that really mattered Like buying us drinks women and steak dinners That's a good start You've got a heart of gold Tychus I've never met such an altruistic man in my life I got goddamn tears in my eyes It's a tough job but somebody's got to do it Jim grinned as he recalled the conversation He and Tychus were behind the train catching up to it quickly He stayed right and Tychus veered left Tychus crossed over the maglev tracks adjusting the magnetic frequency on his bike to compensate so that he like the train itself could cross easily Jim increased his speed

moving alongside the maglev until the right car came into view He and Tychus had spent hours analyzing all kinds of transportation vessels over the last few years sometimes simply from blueprints or images but usually up close and personal as they were about to do now They had liberated other credits before it seemed to them like hundreds of thousands over the years although the liberated credits never seemed to stay with them very long That was all right too It was part of the ride that life had become The year is 2494 Almost five years ago Jim Raynor and Tychus Findlay were members of the Heaven s Devils an elite Confederate marine unit praised for its nerves of steel and combat expertise After making a stand against their corrupt commanding officer the two men were forced to go AWOL or risk being unjustly prosecuted and resocialized Now Raynor and Findlay are outlaws hounded by an unyielding interstellar marshal Life however has never been better Each day is another chance to pilfer more credits from the Confederacy s deep coffers Each night holds the promise of spending their hard earned profits in bars brothels and gambling halls But a man can only run so far before the law and his past catch up with him Devils Due recounts an unforgettable period of Jim Raynor s life as he descends into the Koprulu sector s criminal underworld alongside the street savvy Findlay Here far from his humble upbringing on the fringe world of Shiloh Raynor will face some of the most trying challenges of his life The decisions he makes will alter his destiny forever and put his father s oft spoken wisdom A man is what he chooses to be to the ultimate test
