**The Littlest God** Barry Kohl, 2011-09-20 Reuben Ortozo is four feet two inches tall but he doesn't let that stop him. The appellate courtroom that he presides in sells decisions as if they had been placed on an online auction site. The California Supreme Court has to review enough of the bought decisions and the corruption becomes obvious. The judges don't want to turn the appellate division in because they upheld many of the decisions. The Chief Judge connives to force an honest judge off the bench after planting the idea of nominating Reuben Ortotzo in the mind of California's governor Brian Bryan. After being seated on the court, it becomes apparent that Reuben is still doing business with his former colleagues and becoming a sore spot for his fellow colleagues who now feel a need to protect him so that they can protect the court's reputation. The Chief Justice attempts to persuade Reuben to change his ways but Reuben reminds him that the court protects their own and he's one of their own. With no alternatives, the court finds Reuben Ortotzo guilty in absentia and sentences him to death with special circumstances. They hire a hit man to carry out the sentence. *A Dark Faerie Tale Collection Books 1-8* Alexia Purdy, J.T. Lewis, 2017-09-19 This collection contains books 1-8 of A Dark Faerie Tale Series. The Bigwig Murphy Wallace, 2025-06-23 D is like a forbidden fruit and I'm aching for a taste. The last thing I expected on a quick trip to Greece was to be seduced by Adonis reincarnate. But the desire to let down my guard for once was too strong to deny. After one night of unbridled passion, I left his bed resigned to the fact that I'll never see him again. I didn't count on my dreams haunting me, consuming me. Causing me the kind of agony only his touch could alleviate. And I sure as hell didn't expect my carnal one-night stand to be my new pompous, unapproachable boss. With Carley, I want it all. Waking up alone after the single best night

of my life hurt me in a way I never expected it would One taste of her was all I needed to know that I was hooked for life For an entire month I searched for her only to find her in a skin tight pencil skirt that made me want to bend her over my desk and remind her of what she walked away from I didn't count on the battle we would fight the obstacles that would hinder our path to love But I knew we could overcome everything thrown our way Even with the odds stacked against us and our very survival at stake
