## Starhub Annual Report 2008:

**Singapore Blue Chips, The: The Rewards & Risks Of Investing In Singapore's Largest Corporates** Nandini Vijayaraghavan, Umesh Desai, 2017-01-24 A pioneering and comprehensive work The Singapore Blue Chips puts the spotlight on 22 of Singapore's largest corporates This is the first book that provides a quick snapshot of Singapore's large cap large market capitalisation corporates as investment propositions and is a timely tribute to the nation's 50 years of independence and development Written for finance professionals and students as well as readers with a general interest in business investing and finance each chapter of this book is dedicated to one company and delves into its attractiveness as an investment proposition the associated investments risk and the company's prospects as of end 2016 *2009 Information and Communications for Development* World Bank, 2009-01-01 Over the last decade information and communication technologies ICT have been increasingly used to achieve development goals Developing countries including poorer ones have enjoyed rapid technological progress to help pull millions of people out of poverty ICTs help transform economic and social activities for firms governments and citizens *Information and Communication for Development 2009 Scaling Up Impact* the second issue of the World Bank's IC4D series focuses on the effect of increased access to advanced ICT services and development of a vibrant IT sector on sustaining growth **FCC Record** United States. Federal Communications Commission, 2009-01-02 **Annual Report** Singapore International Chamber of Commerce, 2006 *Asian Communication Handbook 2008* Indrajit Banerjee, Stephen Logan, 2008 *Yearbook of Statistics 2015* United Nations Publications, 2019-03 This is the 41st edition of the Yearbook of Statistics The data included in the Yearbook have been collected and processed by the Telecommunication Development Bureau BDT from replies received to ITU questionnaires sent to telecommunication ministries or regulators and national statistics offices As such the ITU Yearbook of Statistics provides the most authoritative source of data about the evolution of the telecommunication sector the availability of ICTs in households and usage of ICTs by individuals , **Convergence in Information and Communication Technology** Rajendra Singh, Siddhartha Raja, 2010-02-23 Growth in the information and communication technology ICT sector has exploded over the past 20 years Continuous dynamic market and technology developments in this sector have led to a phenomenon known as convergence which is defined in this volume as the erosion of boundaries between previously separate ICT services networks and business practices Some examples include cable television networks that offer phone service Internet television and mergers between media and telecommunications firms The results are exciting and hold significant promise for developing countries which can benefit from expanded access greater competition and increased investments However convergence in ICT is challenging traditional policy and regulatory frameworks With convergence occurring in countries across the spectrum of economic development it is critical that policy makers and regulators understand and respond in ways that maximize the benefits while mitigating the risks This volume analyzes the strategic and regulatory dimensions of convergence It offers policy makers and

regulators examples from countries around the world as they address this phenomenon The authors suggest that countries that enable convergence are likely to reap the greater rewards but the precise nature of the response will vary by country Hence this book offers global principles that should be tailored to local circumstances as regulatory frameworks evolve to address convergence
