the people we work with feel safe enough to do the same so that the teams and organizations we're a part of can truly succeed. This book will offer you insights, ideas, and tools to inspire you to bring all of who you are to the work that you do, regardless of where you work, what kind of work you do, and with whom you do it. And if you're an owner, leader, or just someone who wants to have influence on those around you, this book will also give you specific techniques for how to build or enhance your team's culture in such a way that encourages others to bring all of who they are to work.

**We're All in This Together** Mike Robbins, 2022-03-22. Build trust and achieve high performance in your business by redefining team culture. Have you ever been on a team where the talent was strong but the team wasn't very good? On the flip side, have you ever been on a team where not every single member was a rock star but something about the team just worked? In this book, corporate consultant Mike Robbins dives deep into the ways great businesses build trust, collaborate, and operate at their peak level. As an expert in teamwork, leadership, and emotional intelligence, Mike draws on more than 20 years of experience working with top companies like Google and Microsoft, as well as his baseball career with the Kansas City Royals. And while each team and organization have their own unique challenges, goals, and dynamics, there are some universal qualities that allow teams to truly come together and thrive. The book's core principles include facilitating an environment of psychological safety, fostering inclusion and belonging, addressing and navigating conflict, and maintaining a healthy balance of high expectations and empathy. Throughout, Mike shares powerful exercises and tools he's successfully utilized in the keynote speeches, group sessions, and corporate retreats that he delivers so that you and your team can communicate more authentically, give and receive feedback with skill, and create deeper connections. Mike Robbins shares tangible techniques that leaders and teams can use to excel, backs up his ideas with important research, and provides a road map for creating a team environment of personal connection and optimal performance. **Natural Prophets** Joe Dobrow, 2014-02-18. From a handful of idealistic farmers and local co-ops in the 1960s to the domination of juggernauts like Whole Foods, the wild success of the natural and organic foods industry proves that principled business is not just possible but profitable. With nearly unfettered double-digit annual growth, the development of this now \$88 billion industry is one of the most remarkable untold stories in American business history. Trailblazers like Mo Siegel of Celestial Seasonings, Gary Hirshberg of Stonyfield Farms, and John Mackey of Whole Foods openly challenged the interests of Big American Agribusiness, transformed food manufacturing and retailing, and re-wrote the playbook for small entrepreneurs. Dobrow, a 20-year veteran of the natural foods industry who had a front-row seat and backstage pass to much of the upheaval and expansion, he describes, characterizes the radical vision of these natural prophets as one part anti-industrial activism, one part bold opportunism, and one part new-era marketing genius. The triple bottom line—people, planet, profit—emerged as a major new lodestone for successful values-based business practices. *Natural Prophets* is a fascinating narrative account of these upstart Davids, their failures, and their unprecedented successes that distills lessons about management, marketing, and

entrepreneurial growth and offers a lively urgent profile of an industry that continues to change the way we eat the way we live and the way we think about ourselves **DIY Utopia** Amber Day,2016-12-22 At first glance contemporary popular culture filled with bleak images of the future seems to have given up on the possibility of positive collective change Below the surface however alternative culture is rife with artist led projects activist movements and subcultural communities of interest that seek to spark the collective imagination and to encourage hunger for alternatives More playfully self conscious than past utopian movements today s are often whimsical or ironic but are still entirely earnest Artists invite us to re author city maps or archive individual ideas for the future while maker collectives urge us to rethink our relationship to consumer goods All seem to have grown out of a similar do it yourself ethos and alternative culture One of the central conflicts informing these case studies is that while it remains immensely difficult to envision anything outside of the current system of consumer capitalism there is nevertheless a powerful desire to take it apart in piecemeal ways We see the longing for new social and political narratives new forms of communion and sociability and new imaginings of the possible longings that are currently unmet by mainstream culture but that are taking expression in myriad ways at the local level Taken as a whole this collection examines what our grand ideals and playful daydreams tell us about ourselves The Manchester Method Tudor Rickards,2016-06-29 Leaders We Deserve monographs are based on over a thousand posts originally published on the Leaders We Deserve blog over the period 2006 2015 The monographs explore a space between the scholarly style of the traditional textbook and the dynamism of the e format They offer the possibility of a learning community in which readers and authors are able to interact and influence the contents of the monographs Each post is linked to theoretical ideas such as charismatic leadership critical theory discursive leadership and corporate social responsibility Many posts have been taught as mini business cases within the Manchester Business School executive MBA programmes around the world The topic of the first monograph which was published in 2015 is The Manchester Method an approach to experiential learning which has been associated with Manchester Business School for several decades as a means of supporting business education The monograph updates twelve posts from the perspectives of Business School tutors leadership researchers and MBA executives It provides a historical record of the roles played by educational pioneers Grigor McClelland and Reg Revans Other topics covered include The Manchester Method as Social Networking The Importance of Communities of Practice and Creative Leadership and Team Effectiveness Imagine More Stephanie Nelson,2023-10-10 Discouraged that you will never fulfill your dreams Stephanie Nelson creator of the wildly successful Coupon Mom movement shares an inspiring motivating roadmap for achieving dreams saving money and giving generously with big faith If you feel stuck in life and unable to make progress toward your deepest hopes and dreams let Stephanie Nelson share a practical path to reaching your full potential The creator of the Coupon Mom and jump starter of the coupon craze that started in 2008 with the recession Stephanie can relate to holding on to dreams that seem bigger than abilities She started the Coupon Mom website with a thirty five dollar
