Growing a Business. Lessons from 101 start-ups Przemek Chojecki, Kevin Hart, When starting PetaCrunch an AI powered media company which focuses on interviewing founders CEOs and senior executives about their work and how it all started we didn t know the level of attention we would get After three months of running it online we have been literally flooded with emails having days with over a thousand messages sent to different recipients Crazy But it was worth it We have interviewed over 800 companies so far started a newsletter and built some amazing tools along the way But primarily we ve learned a lot from all the stories that were shared with us Some were very personal and touching some motivating or highlighting an interesting aspect of being an entrepreneur It s amazing how diverse founders are there s no common trait apart from two patience and persistence Businesses rarely take off in the very first year They need time to start carving their niche in the market Understanding how to grow a business from 0 to 100 is what motivated

us in the first place to start PetaCrunch That's why we've decided to put together our very first book because we truly believe that you can learn a lot by reading about how others started and grew their businesses **Lost and Founder** Rand

Fishkin, 2018-04-24 Rand Fishkin the founder and former CEO of Moz reveals how traditional Silicon Valley wisdom leads far too many startups astray with the transparency and humor that his hundreds of thousands of blog readers have come to love Everyone knows how a startup story is supposed to go A young brilliant entrepreneur has a cool idea drops out of college defies the doubters overcomes all odds makes billions and becomes the envy of the technology world This is not that story It's not that things went badly for Rand Fishkin they just weren't quite so Zuckerbergesque His company Moz maker of marketing software is now a 45 million year business and he's one of the world's leading experts on SEO But his business and reputation took fifteen years to grow and his startup began not in a Harvard dorm room but as a mother and son family business that fell deeply into debt Now Fishkin pulls back the curtain on tech startup mythology exposing the ups and downs of startup life that most CEOs would rather keep secret For instance A minimally viable product can be destructive if you launch at the wrong moment Growth hacking may be the buzzword du jour but initiatives can fizzle quickly Revenue and growth won't protect you from layoffs And venture capital always comes with strings attached Fishkin's hard won lessons are applicable to any kind of business environment Up or down the chain of command at both early stage startups and mature companies whether your trajectory is riding high or down in the dumps this book can help solve your problems and make you feel less alone for having them **Startups Made Simple** Matt Knee, 2019-01-24 Imagine the perfect business for you Not

only a business that you love but one that generates consistent wealth and is so well systemized that it mostly runs itself In **Startups Made Simple** small business expert Matt Knee has created a complete guide that takes you from idea to systemized company as quickly and easily as humanly possible This book is not for the stereotypical Silicon Valley type of startup that get millions in venture capital This book is for the rest of us the 99% of entrepreneurs who bootstrap and start real businesses In this book Matt Knee pulls back the curtain and guides you through a proven six step process that he and other successful entrepreneurs have used to build multi million dollar startups Whether you have a business now or are looking for an idea to start one this book will systematically take you and quickly using lots of checklists and bullet points through the process of perfecting and growing your business This includes how to get out of your own way and even take a real vacation In addition you'll discover How to supercharge your energy productivity and daily routine to get much more done in less time and not have to work 50 hours a week like most founders How to build a clear vision so you get great ideas and know exactly how to turn them into reality How to avoid the fatal mistakes that have destroyed startups in the past Most are easily avoidable How to identify that magic cross section of what you love what you're good at and what you can get highly paid for in your business How to simply and inexpensively test if your idea is any good before starting the actual business A step by step process for building your Sales Machine and putting your marketing and sales process on auto pilot Managing and
