

Criminal Justice System:

The system that society uses to "enforce the standards of conduct necessary to protect individuals and the community."

Goals of the Criminal Justice System:

1. Doing justice 2. controlling crime 3. preventing crime

Three Principles of the Goal of doing Justice:

1. Offenders will be held fully accountable for their actions
2. the rights of persons who have contact with the system will be protected
3. like offenders will be treated alike and officials will take some personal differences among offenders and officials

How to Control Crime:

Arresting, preventing, convicting, and punishing those who disobey the law

How to Prevent Crime:

One major way is the deterrent effect of the actions of police, courts and corrections.

Federalism:

Power is divided between a central (national) government and regional (state) governments

Due to Federalism:

No single level of government is solely responsible for the administration of criminal justice

Most Criminal Law:

Written by state legislatures
